THOUSANDS ARE AT WORK TO SAVE THE LEVEE

FLOOD DANGER IN THE SOUTH MORE SERIOUS

While reports from the upper rivers were encouraging today, there was really little hope for the inhabitants along the Mississippi south of Cairo. The crest of the flood in the St. Louis and Memphis section will not be reached for a day or two, even with the fairest weather. In the meantime vast volumes of water are being poured into the Mississippi by all tributaries and when the crest is reached the subsidence of the stream will be very slow.

The crest of the Ohio flood will be reached at Louisville Saturday night. Damage along the Ohio has not been so great except in the Cairo district.

Flood warnings are still being sent to the citizens of the lower Mississippi district.

The loss of life to date is 11 and property loss exceeds five millions.

(By United Press.)

Memphis, Tenn., April 5—With the levees about the city fast weakening and showing signs of breaking under the great pressure of water, it seemed certain that the dikes here would let go at any minute.

A further rise of nearly a foot was recorded in the river this morning when a 44.2 foot stage was registered. The engineers have predicted that the great St. Francis levee as well as those protecting the city are bound to give way.

Great gangs of workmen today were rushed to every section of the city to warn the people. The situation was aggravated here when city officials announced that the water supply had been contaminated in several sections of the city. Fearing that an epidemic would follow the city health officials issued a warning that every one should boil the water before using it.

Reelfoot Dam May Go Out

(By United Press.)

Hickman, Ky., April 5—Facing the worst probable disaster since the present flood began, hundreds of men are at work trying to strengthen the great Reelfoot dam which is showing signs of giving way. The sudden breaking of this dam would mean the loss of many lives and the flooding of thousands of acres of rich territory.

Thieves have made their appearance in the flooded district and many cases of robberies have been reported. Militia have been asked for to guard the property of the citizens and looters will be shot on sight.

Food supplies are beginning to come in and the situation in this respect is much better.

Steamboats are plying up and down the river from here and are rescuing scores of marooned persons. Many lives have been saved in this manner.

Sewer Water Caused Panic At Cairo

(By Associated Press.)

Cairo, Ill., April 5—The backing of water through the sewers of the city, by which a large area was flooded this morning, caused a panic among the people who feared at first that the levee had broken. The only communication with the outside world had here today was by tugboat to Mound City where the Big Four is located. When the drainage district was flooded yesterday by the breaking of the Mobile and Ohio levee over 3,000 feet of the Illinois Central tracks were washed out and the tracks submerged for many miles.

Damage Done On Big Sandy

(By United Press.)

Ashington, Ky., April 5—One [illegible] was drowned and damage to the amount of $50,000 was done by the floods in the Red, Big Sandy and Licking rivers in Eastern Kentucky. The man who was drowned was William Jackson.

Cincinnati, O., April 5—All danger of a flood here has passed and the river will not exceed 54 feet. No damage has been done.

(By Associated Press.)

Caruthersville, Mo., April 1.—Desperate efforts are being made to prevent the levee from breaking and flooding the great St. Francis valley, which would mean the loss of many lives and the destruction of vast property. Militiamen are patrolling the levees.

RIOTING IN STRIKE AT PASSIAC

(By Associated Press.)

Passiac, N. J., April 5—The most serious riot of the present textile strike took place today when Charles Rothsiner, an organizer for the Industrial Workers of the World defied Sheriff Conklin's manifesto against public meetings and was arrested. Sympathizers tried to rescue him from the police and in the fight that followed deputies used their guns and clubs. Despite the fact that they fired a volley point blank at the mob no one was killed.

Five arrests were made before the deputies succeeded in restoring order and dispersing the mob.

The fight occurred in Garfield, just across the river from here.

GOING AFTER BUTTER MEN

(By Associated Press.)

Chicago, Ill., April 5—Criminal prosecution by the Federal government of the Chicago Butter and Egg Board, and the Elgin Board of Trade that fixes prices of these products, was foreshadowed today by the activity of secret service agents in the employ of the department of commerce and labor.

Prosecution will be under the criminal provision of the Sherman anti-trust law and will be distinct from the civil suits now pending.

HARVESTER CO. AGREED TO DISSOLVE

(By Associated Press.)

Washington, April 5—As a result of negotiations that have been pending for sometime, the government hopes to reach an agreement soon with the International Harvester Company for the disintegration of that corporation under the Sherman law, thus avoiding long-drawn-out fighting in the courts.

The government has not yet accepted the plan of reorganization submitted by the company which provides for the splitting of the concern into two corporations.

GETTING CRUEL IN ROSS COUNTY

(By United Press.)

Columbus, O., April 5.—The Ross County Humane Society of Chillicothe was incorporated today. James I. Bougler is the secretary and George Hamm the acting agent.

Tourists Perish

(By United Press.)

Liabach, Austria, April 5.—Advices received here today from Hochstul say a party of 18 tourists while trying to ascend the mountain near there were overwhelmed by an avalanche and 10 of them perished.

DISMISSED FROM ARMY

(By United Press.)

Washington, April 5—Convicted by court martial for cruelties imposed upon Filippins, First Lieutenant Ora E. Houser of Ohio, in command of the 26th company of Phillippine scouts, was dismissed from the service today.

The charges against Houser were that he tied Native Filipinos to post leaving them trussed up without food or water for as long as 24 hours. These and other outrages are said to have occurred last December when Houser is alleged to have been drunk on duty. Houser arose to a commission from the ranks having enlisted in the Sixth Ohio Infantry at the outbreak of the Spanish-American war.

DISTURBERS DEPORTED

(By Associated Press.)

San Diego, Cal., April 5—Eight members of the Industrial Workers of the World who came here and sought to make trouble in the industrial situation, were deported today by the authorities. They were placed in an auto truck and taken to the city limits where they were taken in charge by another party of guards and taken to the county limits. They were warned not to again come to San Diego.

MEXICAN LEADERS FIGHTING MADERO

(By United Press.)

Mexico City, Mex., April 5.—A sensation was sprung in Mexico City today when it was learned that Alberto G. Grandos, former secretary of the interior in the Madero cabinet, Jorge Vera Estanol, former minister of education and Francisco G. Gomez had been charged with plotting to aid in the overthrow of President Madero and of extending aid to General Zapata.

President Madero seemed greatly affected about the turn of affairs about the capital and foreigners now express the fear that he is planning to leave the city.

Fifty rebels and federals were killed and as many wounded in a battle near Yautepec, only a short distance from the capital today.

I. & R. Men Anxious To Go To Legislature

(By Associated Press.)

Columbus, April 5.—Rev. Herbert Bigelow of Cincinnati, president of the constitutional convention and 30 other delegates to the convention who are recognized as the friends of the Initiative and Referendum, have reached an agreement by which each of them will be a candidate for a member of the Ohio general assembly at the election this fall. This announcement which was made today set at rest rumors to the effect that Mr. Bigelow would be a candidate for the nomination for governor on the Democratic ticket. The names of the delegates will be made public next week when they will begin their campaigns, which will be on the I. & R. platform. They state that they feel that their work for the I. & R. is only partially accomplished by the action of the constitutional convention and that the next legislature will have much legislation to pass to make the I. and R. effective.

Street Car Jumped Track On A Bridge

(By Associated Press.)

Cincinnati, O., April 5.—A Ludlow, Ky., street car, carrying five passengers, jumped the track on the Ohio river bridge here this morning. The accident happened near the center of the bridge. The car plunged through the heavy timber on the side of the bridge and came to a halt within three feet of a plunge into the swollen waters of the Ohio, which would have meant death to all.

None of the passengers was injured.

WILL BE NO STRIKE IN OHIO'S COAL FIELDS

(By Associated Press.)

Columbus, O., April 5—Within 24 hours officials of the United Mine Workers in six Ohio sub-divisions and operators in the same districts have held conferences with Dennis Sullivan, secretary of the state board of arbitration. All have assured Mr. Sullivan that there will be no strike in Ohio and that a vast majority of the miners are voting for an immediate resumption of work.

Sec. Sullivan said that the meetings were merely for the purpose of straightening out small differences that were not big enough to warrant their being brought up at the general meetings of the miners and operators. He said that conferences had been most satisfactory and that every one seemed disposed to be fair.

THE SENATE MAJORITY SCORED THE STEEL BILL

(By United Press.)

Washington, April 5—"Ill-advised and most unfortunate legislation" is the commentary expressed today by the Republican majority of the senate finance committee on the Democratic metals schedule revision.

"The bill," the report declares, "would reduce the measure of protection below the margin of safety and tend to destroy one of our most important industries, opening wide our domestic markets to foreign steel and iron products; it is not only unprotected, but also fails as a revenue measure as it would result in a deficit for which no provision is made; it is not based upon open hearings or upon any investigation of manufacturing conditions, labor cost or other facts necessary to be known; it is not responsive to any need or necessity for a general revision of the rates of the present metal schedule and should not therefore be enacted.

"Hearings before the senate committee," the report continues, "indicated widespread opposition to the reductions proposed.

"Your committee," the majority declares, "is of the opinion that a general reduction in the metal schedule not based on the most accurate and definite information possible to obtain would be dangerous. This bill makes an average reduction of about 30 percent. So radical and unreasonable a reduction must result in either forcing manufacturers to reduce wages or to close their factories."

It was decided to take up the bill week after next. Senator Penrose said that hearings from 245 steel industries in 18 states showed that they were unanimously opposed to the proposed change in the tariff. 225 machine tool manufacturers said that they would be put out of business if the tariff was taken off machine tools, as proposed.

Bridges Burned

(By Associated Press.)

El Paso, Texas, April 5—Three bridges south of Juarez and two near Madero were burned last night. Guerrilla fighting is reported in this section.

PRIESTESS TO BE TRIED NEXT WEEK

(By Associated Press.)

Lafayette, La., April 5—Clementine Barnabel, high priestess of the Sacrificial Cult, who admitted to participation in more than 20 murders in Southern Louisiana will be placed on trial on a charge of murder next week. Search for other members of the Cult, who are believed to have had an active hand in the murders, is being made by the police.

The "Voodoo man" who supplied the charms by which the members of the Cult were supposed to be rendered immune from punishment, is in jail here and with two brothers of Clementine is held as a witness.

JUMPED TO HIS DEATH

(By Associated Press.)

South Bend, Ind., April 5—Paul Bickford, proprietor of a leading hotel here, is dead from injuries caused by jumping from the third story of his hotel last night. Bickford accidentally set his bed on fire and in a panic he threw open a window and leaped to the street three stories below. He was frightfully mangled.

OPERATORS STAND.

(By Associated Press.)

New York, April 5.—It was authoritatively announced by the anthracite coal operators today that in regard to the recognition of the Miners Union they would stand squarely upon the decision of the Anthracite Commission and would not recede from that stand. This did not recognize the union.

WHEAT CROP SHOWING UP VERY BAD

(By United Press.)

Columbus, O., April 5—The state board of agriculture today announced that the condition of winter wheat was not by 61 per cent as good as it should be. The board predicted that many farmers would become discouraged over the poor prospects now in the ground and that the wheat would be plowed up and the acreage replaced with corn or oats. The board estimates that 16 per cent of the 1911 wheat crop is being held by the farmers for a raise in price. The conditions of corn in the crib was pronounced excellent. Fruit prospects were announced as poor. The peach crops is said to be only two-thirds as promising as under normal condition.

Burns To Death

(By Associated Press.)

Akron, O., April 5—Mrs. Jos. Walrath, of Cuyahoga Falls, placed some kindling in the oven to dry. She opened the door to see how it was coming along and the flames blew out over here, setting her clothing on fire. The kindling had caught fire. Mrs. Walrath is dead.

REFORMER INDICTED

(By Associated Press.)

Xenia, O., April 5—County Auditor Walter L. Dean, was indicted today by the Green county grand jury upon a charge of bribery. Dean, who is a leading member of the "reform organization" here, is charged with having given Anderson Garrett, an election official, $75 to influence his actions at an election last year. Philip Matthews, an election official, was indicted upon two counts, for alleged violations of the election laws.

The indictments caused quite a sensation. It is said that others will be made public soon as arrests have not been made. The probe has been conducted under the supervision of Attorney General Hogan and his assistant, Jos. McGee, of Jackson.

It is expected that Dean will be formally arrested and arraigned during the day and his trial set.

It was through the efforts of Dean and the reform element with which he is affiliated that the investigation was begun here after the election in November, 1911. The inquiry into the election then revealed such gross primary frauds that Judge C. H. Kyle called the matter to the attention of Attorney General Hogan. Dean is accused of having given Garrett, who was marking ballots for persons physically unable to do so $75 to mark them for the reform element, regardless of the desires of the voters.

The grand jury was discharged today but was notified that it might be recalled.

TEDDY TRAIN DELAYED BY A NOVEL ACCIDENT

(By Associated Press.)

Cumberland, Md., April 5.—On account of the railroad tracks over which Col. Theodore Roosevelt was to travel in the east end of West Virginia being torn up for about two miles, his train was delayed two hours this morning.

Investigation showed that the driving wheels of a freight engine had hopped the track and had run along on the ties for two miles before the engineer discovered the fact. The wheel ran outside the rail and slipped off the ends of the spikes holding the rails in place.

Foss Expects To Get Nomination

(By United Press.)

Boston, Mass., April 5—That Governor Foss, although he has withdrawn his name at the Massachusetts presidential preference primary, confidently expects to be the Democratic standard bearer in the coming national campaign, was admitted by his secretary and confidential adviser, Dudley Holman, today. The governor does not think any of the candidates now actively in the field can receive the support of the two-thirds now required to nominate. He thinks of the "dark horses" in the party as is the most favorable. "The governor knows," said Holman, "that his withdrawal from the race here will not affect his ultimate stand here. He knows that after the convention has failed to nominate any of the avowed candidates that his chances will be better than if he were put into the race at the outset as a 'favorable son.'"

LIVELY FIGHT FOR THE ILLINOIS DELEGATES

(By United Press.)

Chicago, April 5—With Governor Woodrow Wilson speeding through Illinois on a two days' speaking tour and with spellbinders for five presidential candidates holding forth in every district the presidential preference primary campaign today reached its climax. The fight is the most spirited contest ever witnessed in this state.

Aided by the Woodrow Wilson Club of Illinois the New Jersey governor expects to duplicate the result in Wisconsin. Senator Gore of Oklahoma paved the way for Wilson.

President Taft is represented on the stump today by Congressman E. W. Martin, of South Dakota, and former Governor Bachelder, of New Hampshire. The Taft forces will be joined tomorrow by Senator Townsend of Michigan and Secretary of Agriculture Wilson.

The work of the local spellbinders in the Roosevelt campaign will reach a grand finale tomorrow when Col. Roosevelt enters the state for a two days campaign. La Follette boomers while unable to secure the presence of their leaders are making a hard fight with local talent.

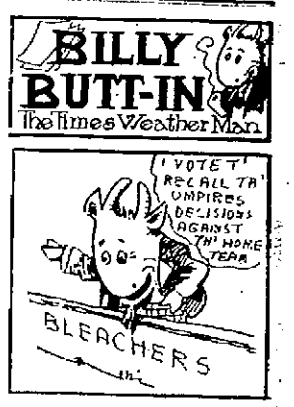

Senator Stone, of Missouri, is leading the final dash in the campaign for Champ Clark. The Harrison-Hearst alliance is almost solidly behind Clark.

CHINESE TONG WAR.

(By Associated Press.)

San Francisco, April 5.—The Tong war which has already cost the lives of six Chinamen broke out again today when a member of Hip Sing Tomg was found stabbed to death.

Miss Edith Keller has accepted a position as operator at the Harrisonville telephone exchange, succeeding Miss Mary Vangordner, who has been employed there for several months.

Anybody who wants t' see th' weather man these days will have t' take a trip to Millbrook. No stayin' down town for me so long as th' boys are trainin' an' pullin' off real games at th' park. How's that? Baseball weather? Sure, that's my specialty right now. Here's for tomorrow:

AND NEXT THE VOTE.

The canvassers to secure the necessary 500 signatures to authorize the county commissioners to issue a call for a road bond election are meeting with no obstacle and the probabilities are that when the petitions are turned in next Friday there will be several times the required number.

The sentiment for good roads seems to be well nigh unanimous and the sentiment for a bond issue to secure them about as strong.

It is well nigh a certainty the election will be called, the following step will be to vote the bonds.

We can not have good roads without the bonds and Scioto county can never improve highways unless a start is made. The $500,000 it is proposed to devote to that purpose will not give every man a good road in front of his home, but judiciously expended and distributed it will go a long ways to a desirable end and make possible a complete betterment in time. In the present deplorable condition of the pikes nearly all the road revenue goes into repairs, leaving little for actual betterments. With a big saving effected by permanently constructed roads there would be considerable remaining for extensions of permanent improvement and slowly but surely good roads would be builded all over the county.

A SOLID PHALANX.

There is dispute, of course, that Champ Clark is the best man whom the Democrats can nominate for president, but there ought to be no dispute among them, that as leader and speaker of the house of congress he has and is proving himself the right man in the right place.

As leader he took the minority in that branch, which had been utterly demoralized and made hopeless under the direction of John Sharp Williams and Joseph W. Bailey and welded it into a compact and spirited minority that eventually fought its way to majority. As speaker he has maintained the Democratic majority united and aggressive, ever presenting and unwavering front to the enemy. Perhaps, his most signal display of his command of men was when the passage of the wool bill was secured with only one lone Democrat and he from Ohio breaking away from the ranks. For that one he gained 20 Republicans so even in losing he gained.

IN THE SPIRIT.

Before Fireman Tom Pyles had been re-instated in the place from which the circuit court decreed he had been unlawfully removed, the gang serves him with notice that he has again been "removed."

In spirit, if not in the letter, this appears a contempt of court, for before its order is complied with the city employee is attempted to be discharged again.

Some of the courts in these parts have been pretty frisky these latter years in maintaining their dignity and the people will look eagerly to see what view the circuit bench will take of the brazen rapidity with which its ruling has been set at naught.

THE LESSON TAUGHT.

The great coal strike, which at one time seemed to threaten business paralysis to England is well nigh to an end.

Wide prevalent as was the suffering and distress it caused it is not without justifying compensation.

It has taught the everlasting lesson that the toiler is entitled to a living wage and it has demonstrated the forbearing strength of the English masses. Though hundreds of thousands were made idle there was exceedingly little disorder and none of the hot violence, so often and quickly manifested in this country, where strikes lead to rapine and bloodshed. It is claimed not a dollar's worth of property and not a single life was lost through the walk-out of the coal miners, that is by force.

Incidentally, too, the strike brought out the solid basis upon which the business of the entire commercial world seems to rest, for notwithstanding the length to which it was protracted all stocks and securities ruled steady and at no time was there a sign of panic.

PAYING THE COST.

A restaurant keeper, at Springfield, Illinois, last week secured a judgment of $7,750 against the county of Sangamon for damages suffered through the destruction of his property by a mob.

It appears Illinois has a statute, which makes the county liable for injuries and losses inflicted through lawless tumults and under this action was brought successfully.

The law seems to be a justifiable one. The citizen who pays his taxes in effect contracts with the authorities for the safe-keeping of his possessions as against popular violence and where this guaranty fails he should have right to seek and obtain recompense. Such a law established everywhere would have a wholesome effect in keeping down mob violence.

THE RIGHT QUALITY.

Were all courts as fair and as evidently bent on right interpretation as is the present supreme court of Missouri, the shifty politician could make no play to the galleries by proposing the recall of their decisions and there would be no demand for the removal of judges by popular vote.

For in a decision, just handed down by the Missouri tribunal, it gives indubitable evidence that it rules on the law and the evidence as presented to it and is not swayed by party exigencies or political bias.

Action was brought by Republican committeemen to compel election officers to re-district the state according to division made by the attorney general and the secretary of state. It appears in the testimony, that re-distriction, which should be done by the legislature primarily, failed because the legislature was Democratic and its bill to that end was vetoed by Governor Hadley, a Republican. The duty then fell upon the governor, the attorney general and the secretary of state, all Republicans. Governor Hadley refused to have anything to do with the matter, so the two latter officials, as a majority attempted the work.

The supreme court holds their re-districting is of no effect, setting out therefor certain reasons to it deemed sufficient. But here comes the singular fact, that so eloquently testifies the honor and integrity of the court. Of course, the division was made so as to give the Republicans the advantage, but the four Republican judges and one Democrat joined in the majority opinion, while two Democrats composed the dissenting minority. Thus each part was holding adverse to the supposed advantage of its party.

IN EVERY DIRECTION.

The prospects now are that Roosevelt will be about the worst beaten man for the presidential nomination of any candidate who ever started out with common belief in his strength.

Not only will he be the worst beaten, but he is already the most beaten. When the delegates, chosen on the convention plan, began to roll in for Taft he set up the cry of machine rule and yowled long and loud for a primary, in order that the plain people of the Republican party might get a show to express their choice, which, of course, was none other than himself. In North Dakota he was distanced at the polls and following right on the heels thereof he got a sound drubbing in New York. Then, as if that were not enough, in Indiana, where there is a combination of primary and convention, he made the sorriest sort of a showing and where both conditions and the popularity of his supporters seemed to be altogether in his favor.

Already, the bottom has practically fallen out of his boom. Taft has more than one-half of the delegates needed to nominate and he is right gladsomely and corpulently gathering in the sheaves with each choice of delegates. It looks as though in two weeks more he will have all he needs. How near is this prospect is indicated by the gossip in Washington, which runs that Roosevelt's name will not be presented to the convention.

Largely through bluff and fictitious show of contests Roosevelt's bureau is striving to keep up appearances, but it can be assumed there is nothing substantially promising Roosevelt in the contest business, as the Taft men have the national committee nailed down and will work the steam roller over time, if necessary.

WANTS TO MARRY ONE OF TIMES BACHELORS

That the Times Bachelor Club is bearing fruit is shown by the following letter which was received by one of the terminal bachelors, and which was written by one of the fair young maidens of this city, who evidently is matrimonially inclined:

Portsmouth, O., March 21.

Dear Mr. ————:—As I was looking over the terminal bachelor club for a man that I could choose as my future husband, my eyes fell on your name.

I have often heard of you and think of you quite often in an admirable way.

I am sweet sixteen, have the most beautiful hair and eyes you ever saw. My cheeks look as if they were the first red rose of June, and about my complexion, it is as clear as the snow that falls from the heavens above.

Now dear, don't refuse to write me soon, or it will break my heart.

Mumma forbids me talking to the boys; that is the reason I cannot give my address; but still I can't keep from having a loving feeling away down in my heart for you.

I never could marry a man any younger than you. I had rather be an older man's wife, for I am quite sure they will have more affection for me.

And sure as there is a world, I can do some of the best cooking that was ever placed on a table. If you don't believe it, just call around Ma's house.

Now dear, I will neither eat, sleep nor drink until I hear from you. I am yours until the devil builds an ice house.

From one who loves you dearly. Miss ————.

PATTON GOT FIVE YEARS.

CALL FOR CONVENTION

To the Democratic County Central and Controling Committees and Democrats of the Seventh Senatorial District for the State of Ohio, comprising the counties of Adams, Jackson, Scioto and Pike.

You are hereby notified that a district convention of said counties for the purpose of nominating a Democratic candidate for state senator for said district and taking such further action as may properly come before it is called to meet at the Opera House in the city of Portsmouth, in Scioto county, at 10:30 a. m. on Saturday, July 6, 1912.

The basis of representation in said convention is fixed at one delegate for each 300 votes, or major fraction thereof, cast for Judson Harmon for governor, at the last general election and the apportionment of delegates thereby to each county is as follows:

Adams, 11; Jackson, 9; Pike, 7; Scioto, 15.

Said Delegates may be chosen by primary vote or by county convention as the county central or controlling committee in each county may elect and direct.

For the Senatorial District committee.

Oscar M. Laughlin, Chairman.
Harry E. Taylor, Secretary.

TAFT KEEPS HANDS OFF

(By Associated Press.)

Washington, April 5—President Taft said today that he would make no attempt to dictate the platform of the Republican state convention of New York. He said he did not think it proper to push his views upon the delegates upon any manner.

It is understood that Senator Root has been asked to draft a resolution for the platform expressing opposition to the recall of judges.

PRISONERS PLACED ON HONOR

(By Associated Press.)

Columbus, O., April 5—Warden Jones, of the Ohio penitentiary, today put fifteen convicts on their honor, not to try to escape, and sent them to work on the farm run in connection with the Ohio State hospital at Athens, as laborers. The men were in prison for crimes ranging from manslaughter to placing obstructions on a railroad track.

ONE YEAR SENTENCE.

John F. Martin, arrested in Johnstown, Pa., a few days ago by Sheriff Eckhart, on a charge of failure to provide, pleaded guilty Friday afternoon, and was sentenced to one year in the Ohio penitentiary.

Mrs. Frank Switalski was slightly improved Friday afternoon. She had a restful night and her temperature was not as high Friday afternoon, as it has been.

HOMER DURAND MADE TALK AT WASHINGTON

(By United Press.)

Washington, April 5—"Militant activity of radical prohibitionists" was denounced today before the House judiciary committee by C. Homer Durand, of Cincinnati, secretary of the Personal Liberty League of Ohio. He opposed the bill prohibiting the shipments of liquor from wet to dry territory.

"These radical declare the use of liquor, not the abuse of it is responsible for all the ills of the body politic," declared Durand. "The clamorous minority had given a false impression that the passage of these bills is favored.

Durand said Ohio has five different kinds of prohibitory legislation and 57 varieties of local option laws."

PLATFORM WAS ADOPTED BY PROHIBS

(By Associated Press.)

Delaware, O., April 5—Equal suffrage, direct election of United States senators, absolute prohibition, defeat of any license proposal that may be submitted by the con con, rejection of the policy of local option, retention of the bible in the public schools, uniform marriage and divorce laws, equitable graded income tax law, preservation of the American Sabbath, courts of arbitration to adjust labor troubles, national tariff board, commission to manage the banking business of the country, opposition to the use of public funds for sectarian purposes, were a few of the things in the platform of the Prohibition party adopted at the state convention in session here today.

The platform was adopted after long hours of argument. The final vote for adoption stood 61 to 55. The main fight centered about the preamble to the platform. Two preambles were reported out of the committee, one the minority report, recognizing "the law of God" as the underlying principle of the party. The minority report was adopted. H. L. Peeke, of Sandusky and Dr. A. S. Watkins, of Ada, were elected members of the National Prohibition party.

NEWARK STORE ROBBED BY YEGGS

(By United Press.)

Newark, O., April 5—Goods valued at $1,000 and $425 in cash were secured by yeggs early this morning when they visited the dry goods store of T. L. Davis on the Newark public square. The robbers used a heavy charge of nitro-glycerine and in the explosion damaged the building to the extent of $500.

Dick Athny was arrested on suspicion but as yet no formal charge has been placed against him. The yeggs left Newark in a rig it is believed. This is the fifth robbery here within the past few weeks.

On account of the Eastertide, over 200 passes were issued to N. & W. employes Friday by officials at the N. & W. Terminals here.

OBITUARY

Davidson.

Concerning the death of Emanuel Davidson, the father of Vernon Davidson, the Catlettsburg Tribune of Thursday said:

"The death of Emanuel G. Davidson, one of the oldest and most highly respected citizens of this section of the country, occurred at the family residence in South Point, Thursday morning at 2 o'clock, as the result of a protracted illness, resulting from advanced age and general debility.

"The decedent had reached the advanced age of 79 years and 7 months, having rounded out these many years as a dweller in the immediate community where his death came, and he passed quietly and peacefully away in the enjoyment of the fullest confidence and respect of all by whom he was known.

"He was born and reared at South Point, having been a son of the late Joseph Davidson, one of the pioneer citizens of southern Ohio, and whose progeny still continue to reside in this section and are numbered among the sturdy and dependable men and women of the country. His wife still survives him, as do also four sons and a daughter, namely: Bert, of Huntington; Vernon, of Portsmouth, Ohio; Leslie, of Dayton, Ohio, and Walter, who travels for a mercantile firm of Chicago; and Mrs. H. A. Lawrence, of Huntington. He also has three brothers living: Benjamin, Arch and Cuphrey.

"The decedent had been a member of the Masonic fraternity for many years, having been a charter member of the lodge in Ironton, but afterward became a member of the lodge that was instituted at South Point. He had for many years, almost from childhood, been a member of the Baptist church, and the funeral services that will be conducted on Friday at 2 o'clock in the afternoon, will be conducted by Rev. R. H. Tolle, of this city, but who is the pastor, also, of the congregation of which the deceased was a member.

"The interment will be at the South Point cemetery, in the Davidson lot, where already the remains of many of his kinsmen rest. Six nephews of the deceased will act as pallbearers, in conveying the remains of their venerable uncle to their final resting place. They are: Homer Davidson, of this city; Pearl, Clough, Clayton, Arthur and Harland Davidson.

"The deceased when quite young engaged in the steamboating business, in which many others of the family have engaged, but for many years he conducted a mercantile business in his town. Throughout his business and social relations he was always recognized as a sterling man, in whom the utmost confidence was ever reposed, and his exit out of this life into the future, at the ripe old age to which he had attained, is an incident for which he had made the fullest preparation."

Mrs. Effie Kearns.

Mrs. Joe Jones, of Chillicothe street, and Mrs. Michael Ermine, of this city, received a message Friday announcing the death of their sister, Mrs. Effie Kearnes, at Mabee. Mrs. Kearnes' death occurred at noon Friday. She had been ill for some time with tuberculosis.

Mrs. Kearnes was the daughter of Mrs. Bettie Gilliam, with whom she made her home. She is survived by five children, her mother, two sisters, of this city, and two brothers, Everett, at home, and one living in Hamden.

The funeral services will be conducted Sunday morning at Valley church by Rev. Green Willis.

Jenkins.

Charles Jenkins, a well known resident of Stroebel, Lawrence county, died Thursday, following a four weeks' illness with typhoid fever. He was a pedestrian of some note, and several years ago defeated Dan O'Leary, the famous walker, in a contest held at the Princes Armory in Ironton.

Grice Funeral.

The funeral services of Mrs. W. B. Grice will take place at the residence Saturday afternoon at 2 o'clock. Rev. Ainger Powell, rector of All Saints church, will officiate. The ladies of the three literary societies of which Mrs. Grice was a member will meet at the United Brethren church and go in a body to the funeral.

Watkins Funeral

The funeral services of George R. Watkins will be held at his home at 1509 Grandview avenue Friday evening (tonight) at 7:30 o'clock. Saturday morning the remains will be taken to his old home at Waverly. In the afternoon brief services will be held at the residence of his mother.

The remains will be accompanied to Waverly by his family and a large number of friends.

Sloane Funeral

The remains of Miss Lela Sloane who died in Columbus, O., Tuesday following an operation for appendicitis, were brought here at noon Friday and taken to the home of her sister, Mrs. Henry Baker at 160 Thirteenth street where services were held. Burial took place in Greenlawn cemetery.

ALLEN WILL LEAVE

Jack Allen has resigned his place at the Portsmouth Steel Company, and will leave Monday for Maysville, where he will play third base for that team in the Blue Grass League. He is now in fine shape and has no fear but he will become the club's regular third baseman. He is a hard worker, always in condition and is generally there with the timely wallop.

IS JAILED ON A SERIOUS CHARGE

Frank Malone, a Hygean Run man, was arrested by Deputy Sheriff Pete Smith, Friday, and brought before Judge Blair on a non-support charge. Malone acknowledged his guilt and was sent to jail, sentence being deferred.

Parents' Day.

"Parents' Day" was observed at the Union street school building Friday, and over fifty parents of the pupils attended the interesting exercises. Prof. Frank Appel made a talk on Arbor Day and two trees were planted with fitting ceremony.

The condition of John McNamara, who was recently operated upon at the Hempstead hospital, was reported very grave late Friday afternoon.

Experienced Gained While In The Drug Business

I have been troubled more or less in the last five years with kidney trouble and from the experience I gained while in the drug business and from different cases where I have sold Swamp-Root with perfect satisfaction to those who purchased it, and as I never had a single complaint regarding the medicine while I was in business, I was in a position to know that it was a great preparation and it did not fail me when I used it myself. It has certainly afforded me great relief at all times that my kidneys have troubles me and I would not be without it. I always recommend Dr. Kilmer's Swamp-Root to my friends as I believe it to be a medicine of great curative value in the diseases for which you recommend it.

Sincerely,
D. A. KOONCE,
Columbia, Ala.

Personally appeared before me, this 13th of September, 1909, D. A. Koonce, who subscribed the above statement and made oath that the same is true in substance and in fact.
C. T. Harris, Notary Public.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Prove what Swamp-Root will do for you. Send to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. It will convince anyone. You will also receive a booklet of valuable information, telling all about the kidneys and bladder. When writing, be sure and mention the Portsmouth Daily Times. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

Hotel Man In the City

Seth Smith, former Rardenman, now living at Waverly where he conducted the "American Hotel" for some time, was in town Friday enroute to Rarden to join his wife who is visiting there. Mr. Smith is casting about looking for a location to again engage in the hotel business. He will probably locate in Columbus.

Loses Pretty New Rosary

Little Genetviere Thoman, of 13 West Ninth, (old number) is inclined to believe that is an unlucky number. The other day she lost a beautiful pair of crystal and gold rosaries, which she values highly, because it was given to her as a First Communion present, and though she advertised in The Times, she has not yet recovered them. This puts the reputation of this favorite family paper at stake, and if anyone found the rosary he should make us good by returning to the owner.

Attending State Convention.

C. G. Coverston and Henry Prescott are in Delaware as delegates to the Ohio State Prohibition convention.

GETS DIVORCE IN JUST 90 SECONDS

It required just ninety seconds for Mrs. Jennie Manning to convince Judge Blair Thursday that her application for a legal separation from James Manning should be granted. The actual time in securing the decree was a record-breaker.

The wife charged non-support, for which offense the defendant was sent to the penitentiary a few months ago. The witnesses said the wife was a good woman. The couple were married in March, 1903, and have two children, who were awarded to the custody of the mother. Jas. S. Thomas was attorney.

Man And Wife Caught, Held On Suspicion

On the advice of the chief of police of Chicago, Ill., Walter Feeteau, 22, and his wife, Sophia, were taken into custody Thursday afternoon by the local police and are being held for the Windy City authorities. They are wanted on a burglary charge. The pair came here last Saturday and were found wandering on East Fifth street.

They were located through a description of the rings sent out by the police.

Both prisoners have agreed to return without requisition papers. The couple strenuously denied they were the people wanted.

Detective Duffy, of Chicago, arrived here Friday and will leave Saturday morning with the prisoners. He says there is no evidence that the woman was implicated in the crime.

The Pack Verdict Is Allowed To Stand

After hearing the oral argument of Judge James for the defendant for a new trial in the case of H. K. Pack, suing for Virgie Pack, against The Portsmouth Telephone Co., Judge Blair Friday overruled the motion and thereby allowed the verdict of $1500, rendered by a jury to stand. The case will now be carried to the higher courts.

Judge James argued that the verdict of the jury was against the manifest weight of the evidence and that no negligence was shown to render the defendant liable.

The case grew out of the girl being struck by lightning and her eye knocked out, the suit being based on the claim that the current was conveyed into the Pack home by the telephone wires. Negligence was alleged by reason of the defendant not having proper lightning arresters, so as to protect the patron.

Brooklyn In Lead

A mere handful of fans journeyed to Millbrook park Friday afternoon to witness the game between the locals and Brooklyn Dodgers.

In order to give his twirlers a chance to work out, Manager Dalton begged Manager Childs for the privilege of using one of his star hurlers. Dent, as the heavy cut of the Portsmouth batters. The way the Dodgers touched up Dent's delivery was a caution. They started out to "deal" the fences and at the end of the third inning had piled up 8 runs, while the locals had a row of goose-eggs. Kurtzer and Phelps for Brooklyn; Dent and Urmberg for Portsmouth.

The Columbus Senators will play the locals at Millbrook park tomorrow and Sunday afternoon.

Came To See Show

Clay Barnes came down from Waverly Friday to get a few whiffs of city air and to see "The Girl of My Dreams" at the Grand tonight.

Taken To Jail.

Mrs. Lilda Holbrook, haled before Judge Blair on the charge of contempt, mention of which is made in another column of this issue, was taken to jail late Friday afternoon in default of $300 bond. The woman became hysterical as she was led to the county bastile.

SENATORIAL COMMITTEE IS MEETING

The out-of-town members of the Senatorial committee of this, the Seventh district, are rounding in, headed by Chairman J. E. Cross, of Adams county. The committee will meet this evening at the Washington Hotel, at which time they will name a place and time for the holding of the convention.

Hon. R. M. Switzer, congressman from this district, and J. C. Ingles, of Gallipolis, are among the arrivals, as is Edwin Jones, committeeman from Jackson county.

Would Be Commissioner

Another candidate was added to the list of contestants for the nomination for commissioner, Friday.

The latest entrant in the fight is Tiffin S. Collett, prominent citizen and merchant of Lyra, Vernon township, and he is on the Democratic side of the fence. Mr. Collett has many friends throughout the city and county and should prove quite a formidable candidate.

There are now 18 candidates in both of the dominant parties in the race for the nomination for the three positions.

Baseball

The Columbus Journal today said:

"First Baseman Lake was used as a second baseman on the Anti team and very likely will preside over this position at Portsmouth tomorrow and Sunday. Fred Odwell's party will leave for the River City tomorrow morning.

"They are squawking because certain Toledo pitchers can't run 60 or 90 yards without being all in. Just a few weeks back it was being narrated how Manager Harlsel didn't expect any hitting or running from his twirlers. Did anyone ever know a pitcher who didn't like to have a batting average?"

Honest Advice to Consumptives

Notice how there exists a vast amount of skepticism as to the possibility of curing Consumption. We simply state the facts, and are sincere in what we assert.

If ourselves afflicted with Tuberculosis, we should do precisely what we see others to do—take Eckman's Alterative promptly and faithfully. The reason we should do this and warrant we have for asking all Consumptives to take it, is that we have the reports of many cures, one of which follows:

1610 Susquehanna Ave., Phila., Pa.

"Gentlemen: For two years I was afflicted with hemorrhages of the lungs, the master lasted nearly one hundred. Our family physician advised another climate, as to remain would probably be fatal; however, I remained and in February of 1902 was taken with a severe attack of pneumonia. When I recovered sufficiently to walk about the house I was left with a frightful hacking cough, which no medicine I had taken could alleviate. I was again advised to go to another part of the country. It was at this time, March, 1902, that I learned of Eckman's Alterative. In a short time my cough was gone and I was pronounced 'well' or 'cured.' Since that time I have had two slight attacks of pneumonia and I have resorted to no other medicine to effect a cure.

"I am at present in excellent health and feel that we have as much faith in Eckman's Alterative, I have no fear of consumption. I cannot speak too highly for the good it has done."

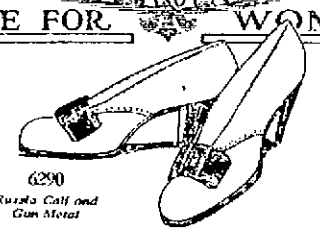

Signed, HOWARD L. KLOTZ.

Eckman's Alterative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, nor a half forming drugs. Ask for booklet of cured cases and write to Eckman Laboratory, Philadelphia, Pa., for more evidence. For sale by all leading druggists and dealers.

Cheap Furniture Is One of the Tragedies of "Keeping Up Appearances"

If it is true that "economy begins at home" why not practice it in the home and buy furniture that doesn't belie its name—furniture true to the core in construction. The short-lived satisfaction of cheap furniture is no satisfaction at all- it is a case of mistaken identity and misplaced confidence. The temptation of a low price for furniture that looks nice will often warp the judgment of an otherwise cautious and careful buyer—it is the key-note of the argument that a slick salesman uses to induce buyers to buy.

Our new season's furniture is entirely in harmony with the demand for luxury and fashion. It is not "cheap" in quality or price, finish or newness. Your satisfaction will endure like the furniture itself. Practical utility of shape and purpose are evidenced by the originality and individuality of the designs—the lines harmonize to produce a pleasing picture—good taste is never offended—intrinsic worth is delivered always. If you are not familiar with this "different" furniture a pleasant April surprise is ready in our showrooms.

THE MARION SITUATION

Marion, April 5—Considerable progress is being made toward securing enough stock subscriptions for the Marion Amusement Company, which will conduct the Ohio State League team in Marion this summer. Soliciting committees are putting forth every effort and it is believed that the entire amount can be secured within a few days.

As was predicted, Bill Johnstone has been tendered the reins of management and it is entirely likely that he will accept the task of leading the Digger team.

ALL YOU NEED IS A CASCARET TONIGHT

No Sick Headache, Bilious Stomach, Coated Tongue or Constipated Bowels By Morning

Turn the rascals out—the headache, the biliousness, the indigestion, the sick, sour stomach and foul gases—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse and regulate your stomach; remove the sour, undigested and fermenting food and that misery-making gas; take the excess bile from your liver and carry out of the system all the decomposed waste matter and poison in the intestines and bowels. Then you will feel great.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep. A 10-cent box from any drug store means a clear head and cheerfulness for months. Children love to take Cascarets because they taste good—never gripe or sicken.

Woman Is Arrested On Contempt Charge

Rilda Holbrook, a woman well known about town, was arrested and brought into Common Pleas Court Friday afternoon on a bench warrant issued by Judge Blair for contempt.

The woman's arrest was made on information that came to the ears of the court that she attempted to intimidate Holly Whitman, a witness in the Adams-Morris damage case by threatening and informing him that he had better be careful how he testified in the case and not hurt the defendant, Martha May Morris, claiming that Whitman had sold liquor to the minor son of the Morris woman and threatened to prosecute.

Judge Ball was appointed by the court to prosecute the case and the accused engaged Judge James to defend her.

ARE HANDLING LOCAL GOODS

The Hausen Furniture Co. scored a signal triumph, this week, when they secured the fine line of buffets and side boards made by a local firm, the Waite Furniture Co. They now have several of these two makes on display and expect to make a special drive on them the coming week. There is no finer goods made than those turned out by the Waite Co. and they will doubtless be seen in many a Portsmouth home from now on. Mr. Hansen stated to the Times that he intended to push them right to the front.

Killed 13 Ducks

Rev. Charles S. Robertson and Conrad Roth made a scattering among the duck family when they bagged no less than 13. They went to Waverly on the train and securing a john boat floated all the way to Portsmouth and shot at ducks until their ammunition gave out. They missed more than they hit, but at that both are proud of their achievement.

Has Returned To His Home

SOCIETY

In yesterday's account of the Wednesday club meeting, names of several Episcopalians, who are observing Lent, were added by mistake, among them Miss Ruth Thompson and Mrs. F. B. Corson.

The West Portsmouth W. C. T. U. held an interesting meeting yesterday afternoon in the reading rooms. The devotional was led by Mrs. Oscar Boyer and Mrs. C. C. Coverston read extracts from "America's Contribution to Africa," which contained the following data: Amount of liquor passing Maderia, a port of registry, for the coast of Africa, in one week, 28,000 cases of whiskey, 30,000 cases of brandy, 30,000 cases of Old Tom, 36,000 cases of rum, 200,00 demijohns of rum, 24,000 bottles of rum, 15,000 barrels of absinthe, 960,000 cases of gin.

In Sierra Leone during one-fourth of a year, 250 tons of liquors were unloaded at a "dry town," to be transported to the interior, a statement given ment given by the courtesy of Ellen Groenendyke, missionary.

An entertainment in the form of a medal contest will be given the last of April or the first of May, when children from 12 to 15 years of age will take part and the expectation is to have it in Trinity M. E. church.

The next regular meeting will be held the third Thursday in April.

Mr. and Mrs. Fred A. Kehrer, of Columbus, announced the birth of a fine daughter. Mr. Kehrer is a former Portsmouth resident.

N. & W. Engineer and Mrs. Charles Rainey, of Roanoke, Va., are the guests of their daughter, Mrs. Walter Bowman, 807 John street. They will remain here over Easter.

In honor of their birthday anniversaries the friends of Miss Jennie Jones and Mr. Martin Newman gave them a pleasant surprise Thursday evening at the home of Mrs. William Pursell of Seventh and Washington Sts. Music and games made the evening pass pleasantly and at a reasonable hour the following guests were served with dainty refreshments: Misses Jennie Jones, Effie Easter, Edna Marsh, Anna Williams, Susie Williams, Lillian Hansgen, Hazel Jones, Elsie Lewis, Nellie Burns and Miss Hoy of Columbus and Messrs. Martin Newman, Clark Denning, Elmer Root, Pearl Besco, William, George and Fred Hansgen.

The annual high school commencement of the Hamden public school will be held on the evening of April 22. Among the sweet girl graduates will be: Miss Lucretia Stanton, a sister of Mrs. Louis Distel, of Grimes' avenue. Others who will graduate are: Corda Young, Harley Calvin and McClure Rhulman. The address will be given by S. D. Fess, president of Antioch College, and at this time vice president of the constitutional convention. Dr. Fess is known as a very able speaker and will give an address well worth hearing. Thursday evening, April 18, class day exercises will be held. At this time a program will be given by the Senior and Junior classes. The annual sermon will be preached in the M. E. church on the Sunday evening preceding commencement.

Mrs. Stanley Hopkins, who has been the guest of relatives in Sardinia, Ohio, for several months, has returned to Portsmouth.

Miss Etta Blakely, who has been visiting friends in Sciotoville, left this afternoon for Columbus to spend Easter with relatives.

The members of Morris Chapel, on the West Side, who intended to hold a social at the church Saturday evening of this week, have postponed the date until Saturday, April 13.

Miss Nell Ireland, of Washington C. H., is the guest of Miss Annie Anderson, of Rose Ridge.

The wedding of Miss May Thimmes and Mr. C. W. Stabley took place last evening at half after seven o'clock at the residence of Rev. W. W. Weiser, pastor of the Methodist church in Sciotoville. Mr. Wendel Taylor and Miss Ella Taylor, cousins of the bride, attended the bridal couple. After the ceremony the bridal party went to the home of the bride's aunt, Mrs. Anna Taylor, in Sciotoville, where the wedding supper was served, the guests including Mr. Walter Thimmes and Mr. John Frank, brother and grandfather of the bride, Mr. and Mrs. Marks and daughter Hazel and Mrs. Taylor and family.

Mr. and Mrs. Stabley left this afternoon for Neal, W. Va., the groom's former home, for a visit of ten days, and on their return will reside at 1337 Center street.

Mr. Stabley is a poplar brakeman on the N. & W. railroad.

Miss Katherine Newman will leave Sunday for Bryn Mawr, Pa., to resume her studies at the Baldwin school. Her father, Mr. Oscar Newman, will go with her as far as Columbus.

Miss Lottie Fehrman has resigned her position in the printing office of the Excelsior shoe factory and took her departure today for Jackson, where she will spend the summer with her parents.

The G. I. A. to the B. of L. E. met in regular business session this afternoon in the Ben Hur hall.

The Cheerful Workers of the Second Presbyterian church will have colored Easter eggs on sale Saturday in Murting's store and Freund's drug store.

Mr. and Mrs. Samuel Adams, of Highland avenue, will have as Easter guests Mrs. Lida Kinney and Mr. A. L. Sanford, of Cincinnati

Mrs. W. A. DeWall and little daughter, Janet, of East Fifth street, have returned from a visit with relatives in Pittsburg, Pa.

The regular monthly meeting of the German Evangelical Relief Fund was held yesterday afternoon with Mrs. Mary Fusteneu, at her residence on West Third street. Plans were discussed for a social to be held the latter part of the month.

At yesterday's meeting of the German Methodist Aid Society, the ladies decided to postpone their sale of edibles, announced for Saturday of this week, until some later date.

George Bender, a city salesman for the Gilbert Grocery Company, has been quite ill since Tuesday. Pete Hartman has been calling on his trade.

Mrs. Ora Ferguson, of Oklahoma City, is the guest of her parents, Mr. and Mrs. Nelson Odell, of Sixteenth street. Mr. Ferguson will arrive here the first of May for a short visit and to accompany Mrs. Ferguson home.

The Young People's Missionary Society of Bigelow Methodist church will meet at the home of the president, Miss Alice Trenthart, next Monday evening with Misses Elsie Boynton and Elizabeth Rockwell as assistant hosts. The following program will be the order of the evening:

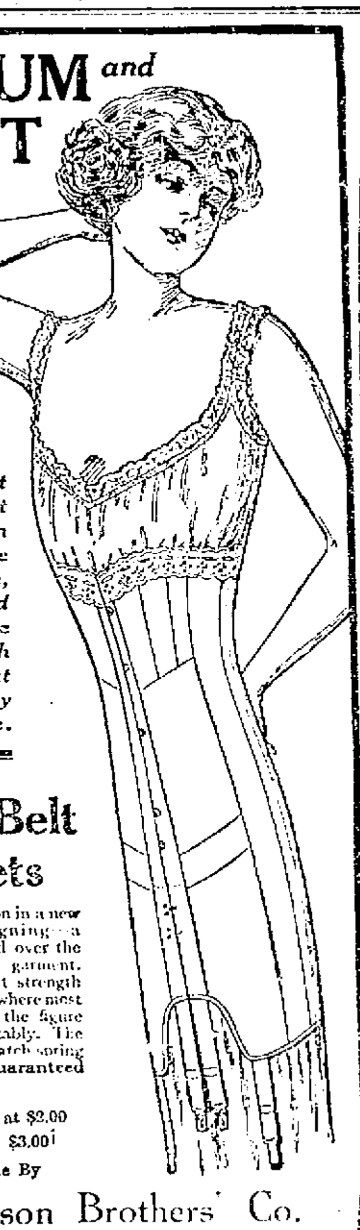

--The World in Cincinnati
Alaska, the North .... Miss Emma Johnson
Africa, the South .... Miss Beatrice Lindsey
India, the East .... Miss Myrtle Foster
Hawaii, the West .... Mrs. P. E. Selby
Fifth Episode..... Round Table
Hall of Religion .... Rev. J. H. Hughes

Piano solo .... Mrs. W. J. Micklethwait

The Greenup Gazette says: "One of the slyest and most popular weddings that has occurred in Greenup for some time was solemnized by Rev. Ball, pastor of the M. E. church South, when Chas. Ereye led Miss Minnie Kilgore to the sacred altar and joined with her in wedlock. They had planned for a surprise and they certainly succeeded. Mr. Ereye is an operator and has held a good position with the C. & O. railway company for years, and still holds that position at Riverton. Miss Kilgore is one of Greenup's most popular young ladies. The young couple are being congratulated by a host of friends. The Gazette extends best wishes and highest hopes of a safe voyage over the sea of life."

Fine Services At The Manly Church Sunday

The Easter services at Manly church will be especially interesting this year. Rev. Atkinson will speak on the "Resurrection" at the morning service and the "Effects of the Resurrection" in the evening. At the Sunday school service a special offering will be made which will be used for decorating the primary department and the basement.

At the public morning service the offering will be used to purchase new hymnals for the church.

Will Locate In the West

John McGowan, former Ninth street barber, returned Friday from Columbus, where he has been visiting friends and relatives. He will leave the first of next week for Minneapolis, where he will spend several weeks with his sister. He will probably decide to locate in the West.

New Selby Car Here

Ren Selby drove his father, Pearl Selby's American car through from Indianapolis, Friday. The machine is one of the biggest in the city, as it will easily carry eight passengers.

Mr. Selby, according to literature distributed today has the local agency for the American car.

SILK WAISTS ARE STOLEN

It was reported from the Horton boarding house on East Tenth street, opposite the N. & W. depot, Friday morning, that a woman who registered under the name of Sadie Johnson, of Catlettsburg, had stolen two silk shirtwaists belonging to Mrs. Horton. The police are on the lookout for her and hope to arrest her before she skips the city.

See Kid Canfield, reformed gambler, at Star Theatre, Saturday.

Fire Marshal Ed. Donovan, of this district, was in the city Friday in conference with Chief Hancock. Mr. Donovan reports matters quiet in his district.

By Mme. D'MILLE

A simple home treatment that keeps the hair fine, clean, fluffy and glossy is dry shampooing once or twice a month with therox. To prepare the powder, put a cupful of cornmeal (or four ounces of powdered orris root) in a fruit jar and mix with it a small original package of therox. Sprinkle a little on the head and brush it out thoroughly, and it will take all dirt, dandruff and excess oil with it.

A luxurious everyday toilet necessity of the choicest materials can be made at home at little cost by simply dissolving an original package of mayatone in a half pint of witch hazel. Cover the face, neck and arms with this solution, and its purity, fineness and velvety softness will prove desirable and refreshing to the most sensitive skin. It beautifies without that "powdered appearance" and "holds" as no powder does.

A splendid remedy for sore skin eruptions, pimples, eczema and similar beauty destroyers is Mother's Salve. It heals cuts, burns and scalds without leaving a scar, and is recommended for obstinate cases. It is antiseptic as well as healing and tends to prevent blood poisoning.

Probably nothing is more humiliating to a woman than hair on her face. However, these can be quickly removed by applying delatone paste. Mix enough powder [illegible] with water to cover the hairs; leave on for two or three minutes, then wipe off, wash the skin and the hairs will be gone.

Can't Play For Two Months

Toledo, O., April 5.—After an X-ray examination of the injured leg of Third Baseman Frank Manush today, it was found that small bones in the ankle have been splintered and that the ligaments in his leg are badly torn. His physician declared that Manush will not be able to play ball for at least two months.

Accident To Auto

William Hendrix, a resident of Ceredo, drove his automobile into the curbing at Fifth streets Friday afternoon. The front axle was broken. He narrowly escaped running down an elderly woman, and for a few seconds he lost control of his machine which resulted in it crashing into the curbing.

Mrs. Zola Hunt, of Barnen, who has been ill throughout the winter, is slowly improving.

Policeman Suspended; Serious Charge Made

For permitting a poker game to be operated in his presence, Officer Charles Callahan Smith was suspended Friday afternoon at 1:30 by Chief of Police Sam Phillips.

An affidavit was filed against Smith alleging that he stood back and watched a poker game operated in a room at the northeast corner of Front and Bond streets which is occupied by Harry Price.

The special grand jury called Thursday indicted Harry Price and Morris Holt for running a poker game in the above mentioned room.

According to Judge Blair they furnished him with the information that Smith was present in the room several times when the game was going on and that he saw real money pass over the gaming table.

Judge Blair sent for Chief Phillips this afternoon and acquainted him with this information. No time was lost in having Officer Smith report at the court house. According to Chief Phillips, the officer did not deny the charge when confronted by himself, Judge Blair, Harry Price and Morris Holt.

Later on, however, it is said, Officer Smith made a sweeping denial of the charge. He stated that he saw no money pass over the table and that he thought the men were playing a friendly game of seven up. However he was promptly stripped of his badge by Chief Phillips, who when seen by a Times man this afternoon made this statement:

"Judge Blair called me to the courthouse and in his private office he told me that Price and Holt had told him that Officer Smith had witnessed several games of poker in the Price room. I promptly called Smith to the court house and he made no denial of the charge when confronted by myself, Judge Blair and Price and Holt."

Officer Smith has always borne an excellent reputation. He was always given credit for being a fearless and faithful officer. Upon leaving the court house Smith insisted that he thought the men were playing a stakeless game of seven up.

Smith is a "holdover" as he is an appointee of Mayor Searcy. He has always been on the job at all times and it is said he will employ an attorney to fight the charge.

Chief Phillips stated late this afternoon that he had not decided definitely who he would name to patrol Smith's beat.

He also stated that a number of arrests would likely result from the information Holt and Price had voluntarily placed in the hands of Blair.

Escaped With Costs .

The two indictments returned by the special grand jury Thursday which were held secret on account of the parties not being in custody, were disclosed last night when Morris Holt and Harry Price, young men of the East End, were arrested and taken before Judge Blair.

The indictments charged permitting a game and both entered a plea of guilty. Sentence was deferred by the court until Friday when the defendants were fined the costs and allowed to go on their good behavior.

Mrs. Fowler, wife of Virgil Fowler, who has been sick with fever for some time, is improving slowly. Mrs. Fowler is accustomed to the climate of Iowa, which is dryer than that of Southern Ohio.

Is Coming To Spend Easter

Charles Newman, employed in Columbus, will spend Easter with his parents, Mr. and Mrs. John Newman, on Tenth street. It will be Mr. Newman's first visit home in six years.

THEATRICAL

A splendid film is advertised for the Old Orpheum theatre tonight "How States Are Made." There is plenty of excitement mixed with love. Other good films will be shown and the songs will be up to Orpheum standard.

At The Lyric.

"How Washington Crossed the Delaware" will be the big feature film tonight at the popular Lyric theatre. If you enjoy a good picture, historically correct, don't miss this one. The costumes will be in keeping with the time this feat took place and the film is 2000 feet in length. There is a pretty love story threaded through the picture, which is one of the best issued in several months.

MARRIAGE LICENSES

A marriage license was issued this afternoon to Joseph Williams, of Lynchburg, Va., 30, foreman at Selby's, and Miss Samilda Phillips, 18, a shoeworker. The wedding ceremony was performed by Rev. Alfred Hughes.

Bob Gilbert Home.

Robert Gilbert, who travels for an Eastern shoe concern, rounded in Friday to remain over Easter with his family. He came in from Indianapolis.

Two Men Indulged In A Big Gun Play

Residents on Fourth street, between Chillicothe and Washington, were thrown into a state of excitement early Thursday evening by two men, who indulged in a bit of gun-play.

One man fired three shots at the fellow in front of him, who was running for his life. The shots, so far as could be learned, went wide of their mark. The two men were seen running across the lawn of Mrs. H. P. Pursell and Joe Augustin, and without warning the fellow in the rear opened fire at the man, who was rapidly out-distancing him.

What the trouble resulted from, no one was able to learn, or the identity of the principals who carried on their sensational incident with moving picture precision.

BUILDING PERMITS

A permit to build was issued to R. G. Willey, Friday morning. Mr. Wiley proposes to erect a two story, six room house on East 5th street, to cost $2000. It will be modern in every respect.

Mrs. Alice Mitchell has taken out a permit to erect a veranda to cost $100 to her house, 531 East Sixth street.

GOES TO PEN

John Monk, indicted Thursday for pocket picking, his victim being, J. Hulbert, entered a plea of guilty before Judge Blair late Friday and was sentenced to one year in the penitentiary.

Mrs. Alice Payne, wife of an N. & W. conductor, was Thursday dismissed from the Hempstead hospital. She has completely recovered from he recent illness.

Mrs. J. E. Watts of 1333 Park avenue, has returned from Chillicothe where she was called by the serious illness of her sister-in-law, Mrs. William Vinson, who is slightly improved but still in a critical condition.

Finger Mashed

John Deniut, employed as section man in the local B. & O. S-W. yards, met with a painful accident Friday, when in helping to load a heavy frog, the index finger of his right hand was mashed so badly that it had to be amputated. Dr. O. C. Micklethwait performed the necessary medical attention.

WILL DRIVE NEW PACKARD

Albert Wyghorst, foreman at the B. & O. freight depot in the West End, has resigned his position and will drive the big Packard auto truck which was received by the Irving Drew Shoe Co., Thursday. Mr. Wyghorst has been succeeded by Irving Bauer, of Wheelersburg, who went to work Friday morning.

TO REFORMATORY.

Marion Virgin, indicted for breaking into George Freund's drug store last January, entered a plea of guilty before Judge Blair late Friday. He was sentenced to the reformatory. Judge Blair told Virgin that if his record was good when a year was up he would assist him in getting a release.

Rilda Holbrook, sent to jail on a contempt charge, gave bond Friday afternoon and was released.

Enoch Monk, son of Mrs. Maggie Herron, of Thirteenth street, who has been ill with typhoid fever, is improving.

AHA! KIT CARSON CAUGHT AT LAST

Columbus, O., April 5.—Kit Carson, aged 31, thought to be insane, was taken to Portsmouth last night by the sheriff of Scioto county, who came to the city prison for him. The man has caused the police considerable trouble.

He was arrested by Detective Hamer in Sauer's cafe, Tuesday, after he had refused to pay for a large meal and the accompanying liquid refreshments.

At the city prison yesterday he attacked and badly beat a colored trusty. In his pockets were numerous papers and letters bearing the name of the notorious Indian fighter. The man had $147 in a local bank.

STREET DUEL, TWO DEAD

(By Associated Press.)

Beaumont, Texas, April 5—In a street duel here this afternoon M. A. McKnight and W. C. Whitney, business men killed each other. Both men were building contractors and they quarreled over their work. McKnight shot first, bringing Whitney to the ground. Whitney pulled himself up on his knees and shot McKnight through the heart.

WOUNDED MAN SAYS WIFE SHOT HIM

(By Associated Press.)

Cincinnati, O., April 5—Charging that his wife had lured him to a lonely spot and then shot him, Charles Radeloff, a fireman is lying at the point of death at the city hospital today, with a bullet wound in his abdomen and one in his left wrist.

Radeloff says that yesterday afternoon he received a note from his wife, from whom he has been separated, asking him to meet her at a secluded spot along the railway tracks. He says he was there on time but that the woman failed to show up. Then he says that a train came along and as he was listening to the rumble of the wheels some one shot him twice. He claims that by the flashed of the revolver he was enabled to see the gun user and that it was his wife.

FIDDLING BOB LAID TO REST

(By Associated Press.)

Knoxville, Tenn., April 5—Tennessee paid her last loving tribute to her "Fiddling Bob," Senator Robert L. Taylor, today and he now sleeps in old Gray cemetery here. The body was brought here from Nashville this morning and lay in state throughout the morning hours, thousands viewing the remains. At 11 o'clock the funeral services were held. Business was suspended throughout the city during the funeral hour.

WARNING TO BE HANDED TO JAPAN

(By United Press.)

Washington, April 5—That Senator Lodge's resolution demanding light on the report that the Japanese planned to establish a foothold on the Pacific coast that was an "administration measure" introduced specially to give Taft an opportunity to voice a diplomatic warning that Japan must keep her hands off in Central and South America, became known here this afternoon.

It was said that Taft's reply will not be ready to go to the senate except in executive session which indicates the importance that both regard the naval base scare. In the message it is said to be the administration's plan to say as plainly as diplomatic usage and international courtesy will permit that the United States will not permit any foreign nation to secure startegic base in this hemisphere. The Monroe doctrine will be reaffirmed.

Bruce Thomas, carrier of the Times, is confined to his home at 320 East Eighth street, with bronchitis. Although slightly improved, it will be several days before he is able to attend to his route.

Went On A Rampage, Struck Dusky Lass

There was but one offender in police court Friday to face Mayor Tynes.

He was Harvey Powell, a colored youth, who had imbibed too freely in the cup that cheers last night, and then went on the war path. Encountering Nell Kountz, a dusky lass, near the depot, he struck her and the commotion that followed attracted the officers. He was waltzed to the lockup and drew $10 fine. Being unable to pay, he was sent back to prison. Powell claimed he was doped.

Saved By His Wife

She's a wise woman who knows just what to do when her husband's life is in danger, but Mrs. R. J. Flint, Braintree, Vt., is of that kind. "She insisted on my using Dr. King's New Discovery," writes Mr. F. "for a dreadful cough, when I was so weak my friends all thought I had only a short time to live, and it completely cured me." A quick cure for coughs and colds, it's the most safe and reliable medicine for many throat and lung troubles—grip, bronchitis, croup, whooping-cough, quinsy, tonsilitis, hemorrhages. A trial will convince you. 50 cts. and $1.00. Guaranteed by The Fisher & Streich Pharmacy.

Mrs. C. W. Warder, of East Eighth street, is quite ill with nervous trouble.

Mrs. Ed. Widdig, of North Waller street, is quite ill, and there is little hope of her recovery. Mrs. Widdig's baby daughter died sometime ago, and the death of the little one has affected her greatly.

BROOKLYN DODGERS BEAT EX-CHAMPS IN FAST GAME

(By F. W. Sheridan.)

"Nap" Rucker of the Brooklyn Dodgers administered the same dose for the local team of the Ohio State league at Millbrook park, Thursday afternoon, as he has so often prescribed for the Cincinnati Reds. In other words he beat the ex-Champs by the score of 7 to 0, pitching the entire nine innings just as though it was mid-summer and the championship depended upon the result. As one fellow stated after the game, "Nap" sent 'em through so fast, that it took two men and a boy to see 'em. He whiffed no less than nine of the locals, paying particular attention to those batters who club from the off-side of the pan, getting them to bite a his wide ones or gaze into space as his fast ones went by with the speed of a western cyclone.

The Brooklyn team was gazed upon by no less than 500 fans, who braved all sorts of conditions to witness the exhibition, and who rooted with might and main for the home club to shove across one lone, lean, lank and loyable tally. Rucker held the locals in the hollow of his hand—how early for that expression. The well-built port flinger was as happy as a school kid when the ball taps for recess. He has not had a chance to work much and when he beheld Old Sol hanging high in the heavens he cut lose with a vengeance and served up every curve in his well assorted repertoire and had the erstwhile Champs swinging like a farm gate. He had expected to prevent a single Portsmouth player from reaching first base. But in this laudable ambition he was sorely disappointed, for Messrs. Emmett Cain, Jimmy Edwards and John Weinberg had clubbed him for safeties—good, honest and well placed raps. But try as they did the locals found it impossible to shove one run around.

On the other hand, Messrs. Donalds and Marshall, who heaved for the locals did beautifully—this is Easter time and that word is allowable even on the sporting page. Donalds started the fracas and held forth for five innings, during which time the Dodgers piled up five large runs, when they should have had but one. Donalds was in rare good form and he put a little stuff on the ball now and then. Had he been given airtight support he would have made the visitors go some to score a single run. But that's all right, Mr. Donalds. You did nobly and demonstrated you will be there with the bells on when the season opens.

Marshall took up the running when Donalds left off and twirled four innings. He was a little wild at the start, but in the closing innings was going fully as well as the famous Rucker and mowed the visitors down in order. He used a curve ball for the first time and the New Yorkers were swinging wild at 'em, too, believe me. With a few more days of sunshine, the local twirling corps will be in the grandest kind of shape and will then be ready to be pitted against the best in the business.

The fans were awed when the visitors took the field. They imagined the locals would do well to hold them to fifty runs. They whipped the ball around with lightning rapidity, making sensational stops that fairly electrified the large crowd. It was the first time that the well-fed and well-paid Brooklynites had had a real good chance to go to it and they most certainly availed themselves of the opportunity. They cavorted like so many youngsters at a Sunday school picnic and a few of the faint hearted fans were real sure the visitors would make monkeys out of the locals. They did not, however. It is likely the locals could not beat the Dodgers once in fifty times, but at the same time they held the score down right bravely and Manager Bill Dahlen of the visitors said to this scribe that the defense put up by the Childs crew was as good as shown by any team his hirelings had encountered this season.

The famous "Buck" Wheat was there in all his glory. This was his first appearance in three weeks' time and he was only too glad to embrace the opportunity and he hit like a mule kicking. He was injured at Hot Springs three weeks ago, but the way he performed showed that his lay off had not dimmed his batting eye. Daubert at first for the visitors is deserving of the title of "King of First Sackers." He throws left handed but is a whale and his playing alone was worth the price of admission. Hummell at second cut in with several sensational plays, and will be there all season. It was a nicely played game and the fans have no kick coming. To give an account of how the runs were scored would spoil the humor of this story and this Irishman does not propose to lose what little rep he has, so appends the box score:

WAVE BALL THE LATEST STRICKLETT NOVELTY.

San Jose, April 5.—Every time Elmer Stricklett, inventor of the spitball, goes back to the majors after a "spell" in the minors he fakes a new delivery with which to make good. This time he has perfected and got control of a "wave ball." His "wave ball" is a dry spitter, delivered from between the two middle fingers and the thumb, and has twice the speed of an ordinary spitter. The speed forms an air cushion ahead of the ball and gives it a wave motion from side to side, similar to the break in the usual picture of a streak of lightning.

Jack Ryan, the veteran backstop, who was manager of the Jersey City club last year and was released last fall with his salary paid for another year because the club changed hands, is to coach the University of Virginia team.

A FEW SKETCHES OF THE BROOKLY N DODGERS

Moran Played With Our Own C. Spencer

Outfielder Moran of the Brooklyn team, played on the Rochester club with Ches Spencer last year. They were roommates and Moran was making inquiries about his old side partner today. It looks like he has cinched the right field job on the Brooklyn team. Moran is a left handed hitter and was one of the fastest men in the Eastern league last year.

Shortstop Reilly of the Trolley Dodgers played with Henry Goodrich of this city last year on the St. Joe Western league team.

Lima Is To Celebrate State League Opening

Lima, O., April 5.—The mayors of two cities will be the central figures in the opening of the Ohio State league in this city on April 24. It was announced here that both Mayor Corbin Shook of this city and Mayor Karb of Columbus would participate in the opening at San Felice park on that date.

Great preparations are being made locally for the opening, and practically every factory, retail and wholesale store in the city will close down on the afternoon of the opening game.

FACTS FOR FIGHT FANS

Jack Johnson, the heavyweight champion, says he has been guaranteed $15,000 for a 10-round bout with Al Palzer, the New York "hope" and will accept the match if O'Rourke, Palzer's manager, will give him 60 per cent of the gross.

Grover Hayes, the Philadelphia lightweight, has been matched to meet "Australian" Charlie Griffin on the night of April 9. The bout will be a 10-round affair.

"Fighting Joe" Highland of New York was again sent to the land of dreams the other night by Bobby Wilson. It is about time the Gotham boxer was changing his nom de plume, for here of late when in the ring he has spent most of his time on the floor.

Chick Hayes, the Indianapolis bantamweight, will have a real fight on his hands next Wednesday night when he meets Frankie Burns, the New Jersey scrapper. Burns is one of the best in his class and Hayes will have to go some to hold him to an even break.

A Cleveland fight club has secured the services of Phil Brock and "One-Round" Hogan for the night of April 22. Hogan has not fought since he was disqualified in his bout with Leach Cross in New York some time ago.

Billy Newman, the New York manager of Carl Morris, says that the stories printed about the "Oklahoma hope" going back to the railroading business were fakes. "Carl will be back in the fighting game inside of six weeks," says Newman.

When Mike Gibbons meets Jeff Smith, the New Jersey middleweight, on April 11, he will receive a guarantee of $800 with the privilege of accepting 40 per cent of the gross receipts. "Nothing like being a top-notcher in the fighting game."

Jack Dillon, the Indianapolis middleweight, will be a busy man when he recovers from an injured finger, which has been bothering him for some time. He is scheduled to meet Battling Manell April 22, Louis De Ponthieu April 30 and Johnny Lore May 1.

New Babe Manager Now On The Grounds

Chillicothe, O., April 5.—Right on time, Manager Ray Ryan, the Babes' new manager, arrived in the city at noon Thursday, coming in from Dayton, to which place he went on a business mission, following his arrival at Cincinnati from Birmingham. He had been in the South for two weeks, helping the Birmingham team try out its pitching staff.

Manager Ryan played with Birmingham during the season of 1910 and a part of last year, but later when expenses were cut, played out the season with two other teams. He had offers from Western league teams that wanted to tie him up to contracts but he preferred to be a free lance and in that manner, was at liberty to go where he liked this season.

Ryan says that Birmingham had good weather all but two days, and he got in a lot of fine practice and is ready now to go in and play. The new manager is a quiet fellow who has very little to say and impresses one with the belief that he knows his business.

The new manager was not accompanied by his wife but says she will arrive as soon as the team gets back from its trip to Dayton and Springfield where five games are scheduled. The Dayton dates are April 12 and 13 and the Springfield dates April 18, 19 and 20.

If enough players arrive today and tomorrow, Manager Ryan will arrange for a game on Sunday, between the vets and the colts. He did not put on a uniform but went to the ball park to look over the players who have so far reported.

OLD TIMER IN SHAPE

Waco, Tex., April 5.—Fans are beginning to wonder how long Doc White will stick to fast company. He has lately signed a three-year contract, which makes it look as if he were sure to take that San Francisco trip in 1915. Doc is one ball player of hundreds who know exactly how to preserve his arm so it gives right results at a second's call. He doesn't take any chance of reporting for spring training without having had at least two weeks' practice at home. The only thing that bothers him at first is running the bases, but his veteran arm seems as good as ever.

Doc is a player who can get an outfield job after his pitching days are over—if he wants it. He is one of the few pitchers who can hit that ball and wait out four wide ones. Bill Lange is another—but Bill is not the subject of this discourse. The one ambition of Doc's life is to stick to the Sox long enough to land a major league managerial berth. And White has every necessary quality that makes up a successful boss. He has been manager of the Sox seconds for years while on tour, and handles them with consummate skill. Last, but not least, he can draw a fat salary on the stage, can promote wrestling shows, can pull teeth and run an athletic goods and supply house. So he's in no immediate danger of starving to death.

Notes of The Game

When it comes to the great first sackers, you will have to include Jake Daubert of the Dodgers in the list. He is in the same class as Hoblitzel of the Reds, being if anything a little more fleet of foot than the dentist. He whips the ball around the bases with lightning like rapidity, and throws true to the mark every pop. It was a pleasure to watch him scoop in the low throws or dive into mother Earth for a twisting roller. He can hit, he can field and he runs like a scared deer. And on top of all this he is a mighty fine fellow personally.

While Manager Bill Dahlen of the Brooklyn team is showing unmistakable signs of aging, nevertheless his heart is young and he is always in the game up to his ears. He is well liked by all his players and they declare they are going to work their heads off for the ex-Giant, who in his day was regarded as one of the greatest infielders that ever tore up the sod with his spikes.

Nap Rucker, without doubt the greatest southpaw in the game today, went the full nine rounds and did not walk a man. His control was well nigh perfect, while his fast ball had a hop to it that completely fooled the locals. Rucker is as active as a cat, his work on a bunt from the bat of Emmett Cain displayed this fact. Rucker hopped onto it like a cat on a rat and whipped the ball to Daubert like a shot. Rucker is not much of a hitter, but what he lacks in this department he more than offsets with his wonderful fielding. And say, when a runner gets on the sacks, he has to watch his knitting or he will be nipped in the bud. Both E. Cain and Jimmy Edwards know this without having to be told. It looked, however, as though Rucker had gone a little too far and committed a balk on both occasions.

Umpire Yeager gave splendid satisfaction and kept the game moving all the time. Yeager should by all means go out professionally. He knows the game, is as clean as a pin and would be bound to win the respect and confidence and respect of player and public.

"Buck" Wheat out in left roamed all over the field and hit like a fiend. This was his first appearance in a uniform in three weeks and he did not extend himself on the base lines. He is one grand fielder and one of the sweetest hitters in the game today.

Rucker had Portsmouth side-wheelers swinging their heads off at his elusive slants. He is a terror to lefthand hitters, and pretty tolerably hard for near side batters to solve. Southworth who found the Toledo pitchers made to order in Sunday's game, made one foul off Rucker. Well, thank heavens, there are no Ruckers in the Ohio State league.

After getting two strikes on Beckheimer, Rucker sent up one of his famous slow ones. Beck "set" himself and waited. He didn't wait long enough, however, swinging at the ball before it was near enough to reach with a fishing pole. The grand stand broke into a laugh and Beck helped 'em out, too.

The Columbus Senators, 15 strong, who hope to cop the bunting in the American Association, will be seen in action against the locals at Millbrook park, Saturday and Sunday afternoons. If this weather keeps up the crowd of last Sunday will no doubt be eclipsed, for interest in the great game in this city is on the increase and the mercury clear to the top of the tube. The fans will have an excellent chance to see two fast games. Regular prices of admission will prevail, and the games will be called promptly at 2:45 o'clock, insuring all fans an early supper unless the locals force the game into extra innings.

Both Donalds and Marshall did nice work in the box for the locals. They were stacked up against a mighty hard hitting aggregation and that they escaped as rarely as they did shows they are going to be hear cats in the Ohio State league.

TESTIMONIAL FOR O'DAY.

Chicago, April 5.—Manager Hank O'Day of the Cincinnati Nationals, will be given a testimonial when he arrives at the West Side grounds with his club on April 18 for the initial game here with the Cubs. Friends of the former umpire are collecting a fund for a present to which President Murphy added $25 last night.

Byron Prediger Is Leading In Tourney

The city bowling tournament is humming along at a merry old clip, all three alleys being in use Thursday night. Incidentally it might be well to remark that Byron Prediger has the inside track for the championship. He averaged 175 for his three games at Ye Old Mill alleys last night, and this puts him well into the front. Of course it is hard to tell just what he will do in the doubles, but he is the odds on favorite now and with a good break will be there or quite close when the bell taps. The scores:

HID SIGNALS 20 YEARS

There was one catcher in the big league whose signals baffled the fan and the batter a long time before anyone caught his number. Robinson "Salt it" to the batter, signals. That was Wilbert Robinson. He backstopped twenty years, and all ever having anyone get wise to his signals or what he was signaling for. Robinson knew they were getting the signs, but he could not guess how. And the funny part of it was that St. Louis, after getting Robinson's signs after every other club he played against had failed to get them, was beaten by Robinson in this game.

One day St. Louis was at the bat at Baltimore. Robinson was catching and Harry ... was lying on the bench while his team was at bat. Robinson suddenly saw ... He said ... Then ... Although the veteran Jack Sheridan has been pensioned and is the proud possessor of a medal presented to him by Ban Johnson, he says he expects to be called on to umpire again in the American league this season. Sheridan passed the winter in San Francisco.

LOCALS TO PLAY IRONTON

Ironton fans are at last going to see a real ball club perform on the green. Honest to goodness they are as the Portsmouth Ohio State league team will play there Sunday, April 21. It will be a nice workout for the Childs brigade. If the weather is favorable a number of auto trips will be planned for this day.

NEW NAP CAPTAIN

New Orleans, April 5.—Ivan Olson, shortstop, has been appointed captain of the Naps, Manager Davis made the announcement today. It came as a surprise, for it was thought the honor would go to Joe Birmingham, one of the shrewdest members of the team and the possessor of longer experience with Cleveland. But evidently Davis prefers an infielder.

Will Do His Best.

"I shall give the club the best I have," said Olson.

Manager Davis also made official announcement that he had released Pitcher Swindell, Infielder Hendryx and Utility Fielder Barr to New Orleans. In fact, Swindell is the only one who stands a chance of ever again wearing a Nap uniform. His record with Winston-Salem shows him to be a good man on the mound and possibly a year with Charley Frank will fit him for a longer stay in the big league.

Manager Hartsel Badly Disappointed

Toledo, O., April 5.—The Mud Hen regulars, headed by Manager Hartsel, arrived here from their spring training trip last night and are now quartered at the Boody House.

The spring training trip of the Mud Hens this year has been almost a complete failure. The squad secured less than a week's solid outdoor practice. Several members of the squad still are considerably overweight, especially Harry Hinchman.

Weak in Box.

While the strong end of the Senators is their through the medium of Third Baseman Meenach, it is on the pitching staff that the team is the weakest. Not a single pitcher outside of the West is in condition right now to go the full length of a game.

Manager Hartsel is discouraged over the outlook but hopes that with a week's practice some of the boxmen will improve and the team round into fair shape. The squad will commence indoor practice at the Armory and, if possible, will do some outdoor training under the stands at Swayne field.

Secretary Wild and the second squad from Lexington are also due to arrive.

Honus Wagner has been made a portion of the Pittsburg Pirates and Tommy Leach assistant coacher. Fred Clarke seems to be determined to give all the kickers some title to soothe their pride.

BARNEY KELLY WILL SIGN CONTRACT

There was considerable joy at baseball headquarters this morning when a letter arrived from Barney Kelley, from his home in New Jersey, with the information that he had accepted the terms offered him, and will report in due time, says the Chillicothe News-Advertiser. Kelley has been a hold-out for more money, but wisely decided that his future depends on his action here and will do his best to go higher.

But for an injured knee last season, Kelley would have been sold for a good price. He is still a young man, and is a finished fielder and a good batter. He hit .325 in 91 games last year and when in good condition can do better than that. Kelley is a big asset to the local team, and is a star, whose holding out has worried the directors more than anyone else.

It had been rumored for some time that Barney was coming back, but the directors knew nothing about it until the letter came today. He will be received with open arms.

STRENUOUS LIFE NOT FOR CAMNITZ

Camnitz, the Pittsburg twirler, has a few ideas of his own as to how the baseball training business should be run. According to Howard, the earliest rising hour should be 10 a. m. Morning practice should be abolished entirely and the afternoon work confined to just enough to get up a good appetite for dinner. The bedtime limit should be abolished and the club ought to furnish the players with money with which to play poker. During the season he thinks ball players who report more than five minutes before the games start should be fined.

PRES. LYNCH IS OPTIMISTIC

New York, April 5.—Thomas J. Lynch, president of the National league, is optimistic regarding the national baseball season which will open with a flourish, one week from today.

"It will be a close, hard fought race," he says, in a statement given out today, adding:

"Every club in the league is stronger this year than last. The second division clubs are so much stronger that I look to see them in the first division for the greater part of the next season. I predict the most successful season in baseball history."

Good Joke On Umps

Manager Bill Dahlen, of the Brooklyn team, pulled a good one on Umpire Buck Yeager Thursday.

In the seventh inning while Rucker was at the bat, Yeager called a high and wide one a strike.

"Say, the sun hasn't gone down yet, can't you see?" yelled Dahlen from the coaching lines to Yeager, who grinned expansively.

One of the surprising news items of the day is the flash from Louisville saying that Tubby Spencer had been arrested for drunkenness. The surprise comes in its being so long delayed.

ECONOMY URGED BY PRESIDENT TAFT

(By Associated Press.)

Washington, April 5—President Taft today sent to Congress his second message of the present year on economy and efficiency in the government service. He recommended the passage of legislation designed to save more than $11,000,000 annually to the people of the United States. Probably his two most striking proposals were that the local government offices in the treasury, postoffice, justice, interior and commerce and labor departments, be placed in the classified service and that the revenue cutter service be consolidated with the lighthouse service in the department of commerce and labor.

By the first change the president said congress could effect a saving of at least $10,000,000 annually and although in this message he gave no figures for the consolidation of the two services of the sea, in a previous message on the same subject early in the year, he predicted economies that would total about $1,000,000 yearly.

The president concluded his message with an appeal to Congress to appropriate the $200,000 necessary to support the economy efficiency commission for another year with $50,000 additional for the publication of the commission's findings.

President Taft's principal recommendations for economies were as follows:

Placing of pension agents in classified service; estimated saving $62,000 annually.

Abolition of office of receiver of district land offices and transfer of duties to register; assisted by bonded clerk; estimated saving $200,000 annually.

Transfer of "political appointees" in internal revenue and customs services to classified service; estimate of saving not given.

Consolidation of lighthouse and life-saving services into Bureau of Lighthouses; estimated saving $100,000.

Transfer of vessels and equipment of Revenue Cutter Service from treasury to commerce and labor department and its abolition as a separate service, estimated in message on economy January 17, that saving would be about $1,600.

Consolidation of auditing offices of the government under one auditory; estimated saving $200,000 annually.

Discontinuance of mileage allowances for government travel and a per diem allowance for officers and employees in place of "subsistence," which includes lodging for those traveling; no estimate of saving given.

Improved method of handling correspondence; estimate of saving not given, but predicted that labor can be reduced 50 per cent.

Centralization of the distribution of government documents; estimated saving $24,000 a year.

Discontinuance of publication of the official register; estimated saving $45,000 annually.

"Directly and indirectly" reads the message, "the changes proposed will result in the saving of many millions of dollars of public funds."

TENTH AND LINCOLN STREETS.

Lexington, Ky. Offers Prize For A Sign

Lexington, Ky., April 5.—Spl.)—The Lexington Commercial Club is offering a prize of $25 for the best sign proclaiming Lexington as the principal loose leaf tobacco market in the world. The sign is to be erected at the Queen & Crescent Railway Depot here, and the contest is open to the world. The contest ends at midnight April 30.

The present season, during which so far Lexington has sold more than forty-two million pounds of white burley tobacco on its warehouse floors has clearly demonstrated it is claimed, that this city also long since surpassed Cincinnati and Louisville as loose leaf markets and has firmly established itself as the greatest market for that tobacco in the world.

It is proposed to erect a huge signboard, setting forth with probably the scare-head, that "Lexington, Ky., is the greatest loose leaf tobacco market in the world."

Lexington also holds the record for the highest price per pound ever paid for burley tobacco. Last week tobacco sold for $15 a pound, which is conceded to be the highest price ever paid.

The Lexington market has averaged this year a little the rise of ten and a half cents per pound with total sales of more than forty-two million pounds.

The Sins Of Roosevelt

It is too bad to be real famous like Teddy Roosevelt.

He passed through Greenup, Ky., Thursday, his train just hesitating, and the Colonel just taking a look at the depot.

At the same time the price of potatoes was advanced by Greenup groceryman.

And now comes the Greenup Republican, Taft organ, and blames the raise in the price of potatoes on Roosevelt's visit!

This is too much!

Doc Wagner To Pass His 82nd Milestone

W. H. Wagner, the [illegible], will be 82 years old tomorrow. They have been eighty-two strenuous years for Doc, for he is still on the job, also on Easy street. Few men have lived through eighty-two more strenuous years than Mr. Wagner. His health is good but the winter just past has been a hard one on him, owing to his wounds received [illegible] the battles of his country. [illegible] spring he recovered in [illegible] from the last of five bullets that were [illegible] him at the battle of [illegible] Court House. [illegible] speaking there was [illegible] and five [illegible] for that was the charge of the [illegible] regulation [illegible]. The charge entered the right side, [illegible] the hog and the balls ranged upward and during the years they came out at different parts of his body, most of them at quite a distance from the place where they entered. When the last one came out this spring Doc felt lighter of heart, and was really lighter of body. The man who shot him was a private in the famous Louisiana Tigers. The shot was at close range, which was all the worse for the Tiger, as Doc cleaved him from the top of his head to his shoulders with his sword.

Mr. Wagner commenced being a soldier very young. He was a drummer boy in the Mexican war in the Pennsylvania company of which his father was captain. He has a silver medal issued to the soldiers of the regiment to which young Wagner belonged, giving the names of the battles in which the regiment was engaged, namely, Vera Cruz, Contreras, Cherubusco, Chapultepec and Garita Belen (Belen Gate). The medal was issued through the influence of John [illegible], a Philadelphia newspaper reporter of the day, and a war correspondent. Mr. Wagner served in the Second regular cavalry before the civil war. His father, of whom he has a portrait hanging up in his office, was ninety-six years old when he died. Mr. Wagner is a native of Philadelphia.

Ironton, Ohio, April 5—S. J. [illegible], M. E. [illegible] and F. A. Ross, appraisers of the Ketter Grocery Company, filed their report with Trustee T. A. Jenkins Wednesday. It was as follows:

Stock and fixtures .... $[illegible]

Accounts .... [illegible]

The face of the accounts totalled $[illegible], but they were appraised at $[illegible].

The Ketter Grocery company, which suspended business during the settlement in [illegible] of its financial troubles has reopened for business in its old stand, Third and Adams streets, under the management of Frank L. Ketter.

STEECE DENIES HE IS DEAD

Ironton, O., April 5.—S. B. Steece returned home Thursday evening from a visit to Washington. Mrs. Steece did not accompany him home, but went to New York for a visit with relatives. Mr. Steece was greatly [illegible] when he reached home to learn that while he was away he had been reported as dead. "You can say for me that there's no truth in the report," said Mr. Steece last evening, "and I guess I know whether or not there is."

To Be Guests At Ironton

EVERY ONE NEEDS IT

The Pure Drug Co. is Having A Wonderful Sale of Thompson's Barosma, the Mighty Kidney and Liver Specific.

And no wonder, when he offers to refund your money if it doesn't cure any disease of the kidneys, liver or bladder, backache, [illegible] or any weakness of the kidneys.

But Thompson's Barosma has made so many almost miraculous cures that The Pure Drug Co. is pretty certain not to have any returns.

Here are a few [illegible]:

Frank E. [illegible], [illegible], Crawford county, Pa. [illegible] Bright's disease [illegible] years ago and only took [illegible] bottles. He has had no bad symptoms since.

"I had kidney trouble and [illegible] of the liver and [illegible] Thompson's Barosma. The first [illegible] [illegible] [illegible] [illegible] to [illegible] and [illegible] completely cured me."—M. S. [illegible], [illegible], Pa.

After suffering for years [illegible] of rheumatism for ten years [illegible] compelled to use crutches, J. N. Dunn, [illegible] Center, Pa., [illegible] hope had left him, and he had no faith in any remedy, [illegible] bottles of Thompson's Barosma, threw away his crutches and went to work for the first time in ten years.

These statements are [illegible] true, and the Thompson Medical Co., Titusville, Pa., will prove it. Then why should anyone suffer in the face of such facts? How [illegible] they suffer when The Pure Drug Co. guarantees to refund the money if a cure is not effected? Thompson's Barosma, 50 cents and $1.00 a bottle. All druggists.

COR. CHILLICOTHE AND FIFTH STREETS PORTSMOUTH, OHIO

Columbus, O., April 5—If Constitutional Delegate Richard A. Beatty of Wood county, does not have a care, he will make himself exceedingly unpopular with state office holders. He has introduced a proposal to dock all state job holders for the time that they are absent from their offices, except while away on official business or on such vacations as are provided for by law. The adoption of this proposal would mean that some state officials would have their pay more than cut in half. Playing the political game is the chief occupation of some state officials. Paraphrasing the popular song, "Everybody's Doin' It" more or less, and it ever has been thus. Perhaps, as a matter of justice it should be said that there are and there have been notable exceptions to this.

Governor Harmon, continues to give no indication as to when he will fill the vacancy on the supreme bench caused by the death of the late Judge James L. Price of Lima. Some surprise was occasioned Thursday by the unexpected admission from the governor that he would fill this vacancy himself, and would not leave the selection to the Democratic state convention. This is the most illuminating information given out by the governor thus far, regarding the appointment. Ex-Judge Caleb H. Norris, of Marion, who sat on the same circuit with Judge Price before he was elevated to the supreme court, announced to his fellow delegates in the constitutional convention Thursday, afternoon that he was not seeking the appointment and would not sacrifice the friendship and confidence of the convention for any honor that might befall him. The delegates have been urging the governor to appoint him.

That a readjustment of the 1 per cent law-law is needed to prevent a curtailment of the revenues appropriated for school purposes, is made manifest by a recapitulation of the grand tax duplicates of 1910 and 1911, completed by Auditor of State Fullington. A boost of nearly four billion dollars in the duplicate for 1911 was insufficient under the 1 per cent tax rate to yield within a half-million dollars of the amount raised the year before for university, common school and sinking fund purposes. The grand duplicate will have to be increased considerably more to raise enough for those purposes without dipping into the general revenue fund of the state and thus using money intended for other things. Under the 1 per cent act, the tax levied for common school purposes throughout the state decreased a million and a quarter of dollars from the amount of the year before. Each county is allowed $2.60 by the state for every enumerated school youth, and the amount paid out for this purpose was nearly $150,000 in excess of the receipts from which it was paid. Numerous adjustments are necessary to make the 1 per cent law workable in all respects. The greatest change needed is in its application to school revenues.

A call for a conference of the shippers of the state in Columbus on April 19, has been issued by Chairman O. P. Gothlin, of the public service commission of Ohio. The interstate commerce commission will hold a meeting in Columbus in the near future to further carry on its investigation of the practices of railroads as to weighing of carload freight. The meeting of shippers is to prepare for that meeting. J. T. Marchand, counsel for the interstate commerce commission, will be present and give the shippers information as to the kind of data and form the national commission will expect from them. It has become a general practice for railroads to estimate weight instead of actually weighing it.

Arbor day is being observed on a larger scale now than ever before. Today, throughout the state, the day was properly observed by schools and universities. The law requires that at least two hours be set apart to give information to the pupils and students concerning the value of and interest of forestry, and the duty of the public to protect the birds, and for tree planting. This developes a broader love of nature and a broader knowledge of two of its most wonderful members, the tree and the bird.

Deputy Dairy and Food Commissioner Clint R. Nixon, Thursday afternoon, swore out warrants before Justice O'Dell, of Hamilton, for the arrest of nine milk dealers, charged with selling watered and skimmed milk. Samples were taken up from 18 different dealers an dnine of these were found to be either adulterated with water or skimmed. This was disclosed by analyses made by chemists employed by the department. Blake.

Best Show Of Season At The Grand Tonight

One of the very best musical comedies that has ever been seen in Portsmouth, "The Girl of My Dreams," comes to the Grand tonight. It is not juggling the truth carelessly to say that it is even better than "Three Twins," "The Chocolate Soldier" and "Jumping Jupiter."

It is a genuine Broadway production from the stars down to the working force, and if you miss this opera with its superb cast, its entrancing melodies, its great stars, John Hyams and Lelia McIntyre, you will miss one of the best shows that has ever been booked in the River City. While the advance sale is very gratifying, any number of choice seats can still be had. You owe it to yourself to see this real city musical comedy.

MAE LA PORTE.

Dainty Mae La Porte, that universal favorite, in a new company of her own, comes to the Grand Monday for an all week's engagement. The opening play will be "Miss Petticoats," a swell comedy drama that was put on for an entire season by Kathryn Osterman. Miss La Porte is sure to have a big week financially at the Grand, as she has a host of admirers in Portsmouth. Ladies free Monday night under the usual conditions.

At the Lyric.

Under the popular and efficient management of Francis Mack, the Lyric theatre is doing a splendid business, Thursday being one of the best days since the beautiful house was opened. Only first run pictures are being shown and picture lovers are finding it an extreme pleasure to drop into the Lyric and witness films that have just been released. Manager Mack has several big feature films for Saturday. Mr. Earl Barr, as an added attraction will sing "My Hero," and he has the voice and range to do this great favorite full justice.

Signed By Ironton

Ironton, Ohio, April 5—The directors of the base ball team met Thursday evening and decided to have the work on the improvements of the ball park started at once.

The contract of Floyd Ware, an outfielder from Piketon, was received Thursday. Ware comes highly recommended by Roy Dunham, the Pike county pitcher, who pitched here early last season, but who finished the season with Hamilton in the Ohio State League.

GoodShow At Sun

There is a rattling good bill at the Sun theatre for the last half, despite the fact that the last three days of Lent are more generally observed than any others of the Lenten period.

Hilda Peterson, a Dutch lassie, a real Holland kiddie, extracts all kinds of sweet tones from a rose-covered violin, the idea being an ingenious one. She also plays an ordinary violin with much technique and skill.

The Louis C. Hobson Company sing many songs in many ways, their act being richly costumed and is helped not a little by splendid scenic equipment.

Cummings and Thornton are a breezy and talkative pair. There is a delightful peppery dash to their work that is refreshing. Of course some of their plunder has been heard before, but not in the Cummings and Thornton way. Their act is classy.

Knapp and Coronola, acrobats extraordinary, wind up a dandy good bill in a lively and entertaining fashion.

FOR ALL MEN AND WOMEN

I will give you free a sample of Dr. Pierce's Pleasant Pellets, that have brought health and happiness to thousands—also a book on any chronic disease you need.

The story of my free offer to you is quickly told. During my many years of practice I have used numerous combinations of curative medicines for liver ills. I have kept record of results in case after case, so that my staff of physicians and surgeons, at the Invalids' Hotel, Buffalo, N. Y., are able to diagnose and treat cases at a distance with uniform good results. I am going to send you free a sample package of Dr. Pierce's Pleasant Pellets, which will relieve biliousness and ill health due to a disordered liver. Write at once for a sample or a book.

But for the *permanent relief* of blood disorders and impurities, I can recommend my ***"Golden Medical Discovery"***—a blood medicine without alcohol.—R. V. PIERCE, M. D., *Buffalo, N. Y.*

Nature's Way Is The Best.

Buried deep in our American forest we find bloodroot, queen's root, mandrake and stone root, golden seal, Oregon grape root and cherrybark. Of these Dr. R. V. Pierce made a pure glyceric extract which has been favorably known for over forty years. He called it "GOLDEN MEDICAL DISCOVERY."

This "Discovery" purifies the blood and tones up the stomach and the entire system in Nature's own way. It's just the tissue builder and tonic you require.

Dr. Pierce says:—"Glycerine plays an important part in Dr. Pierce's Golden Medical Discovery in the cure of indigestion dyspepsia and weak stomach, attended by sour risings, heart burn, foul breath, coated tongue, poor appetite, gnawing feeling in stomach, biliousness and kindred derangements of the stomach, liver and bowels.

In coughs and hoarseness caused by bronchial, throat and lung affections, except consumption, the "Golden Medical Discovery" is a most efficient remedy, especially in those obstinate, hang-on-coughs caused by irritation and congestion of the bronchial mucous membranes. The "Discovery" is not so good for acute coughs arising from sudden colds, nor must it be expected to cure consumption in its advanced stages—no medicine will do that—but for all the obstinate, chronic coughs, which, if neglected, or badly treated, lead up to consumption, it is the best medicine that can be taken." Sold by all principal dealers in medicines.

To find out more about the above mentioned diseases and all about the body in health and disease, get the Common Sense Medical Adviser—the People's Schoolmaster in Medicine—revised and up-to-date book of 1000 pages—which treats of diseased conditions and the practical, successful treatment thereof. Cloth-bound sent post-paid on receipt of 31 cents in one-cent stamps to pay cost of mailing *only*. Address Dr. Pierce's Invalids' Hotel, Buffalo, N. Y.

NEW OPERA HOUSE FOR GALLIA STREET

If present plans do not miscarry, it is quite likely a fine new opera house will go up on Gallia street within the next year. This was learned Friday morning when a business man attempted to lease a piece of property. He was informed by the owner that the property was not for rent, owing to the fact that he would probably build a new opera house on the site.

TIMES MAN SAW CARPET CLEANER

Pete Revare was kind enough today to show a Times reporter how they cleaned carpets in the plant of the North End Carpet Cleaning Company. The carpets and all other articles that attract dust and need cleaning are placed in a huge drumlike affair and the drum revolves rapidly. If there is any particle of dust that don't get shaken loose, that particular particle is some stickler. Then a fan blows the loosened dust into the outdoors and the carpet, or rug, comes out clean as the proverbial and more or less mythical whistle. In the meantime Monsieur Revare delivers an interesting and instructive lecture. He also informed the reporter that if he cared to go around in the drum a few times he would come out as clean as any carpet in town. The reporter wasn't hankering for that kind of dusting off.

Suit Results From Sale Of Restaurant

Christ and Charles Malavozos were made the defendant in a civil action filed in common pleas court Thursday by Attorneys Holcomb & Millar on behalf of Zacharas J. Cretesdemas.

The plaintiff in his bill of complaint says that in March, 1907, he purchased a one-half interest in the Savoy restaurant from the defendants, and then alleges that in the following August while he was absent from the city, the defendants sold the business and converted the proceeds to their own use. Cretesdemas is now asking the court to require the defendants to make an accounting.

PORTSMOUTH BEST EVER

Samuel Dodds and J. L. Hill have returned from a tour of the state in their efforts to dispose of memorial cards. They took many orders and expect to start out again within a few weeks. They stated that Hamilton is the deadest town in the state, a real estate man of that city informing them that there were more than 800 empty houses in the city. They counted five empty dwelling houses in less than a square. They declare that Portsmouth is the livest community in the Buckeye state and they were real glad when the conductor shouted out the name of the "Peerless City."

He hopes to catch on with Ironton of the Mountain State league.

Birmingham, Ala., April 5.—While speaking at a local theatre last night, former Governor Charles B. Aycock of North Carolina, fell dead.

DON'T INVITE SICKNESS

Thin Blood Is a Standing Invitation to Every Disease That Is Prevalent.

Thin, impure blood is an invitation to sickness. The blood is at work, day and night, to maintain the health and any lack of strength or purity in the blood is a weakness in the defence against disease. Anaemia is the doctor's name for lack of blood. There may be an actual loss in the quantity of the blood or one or more of its constituents may be lacking. The chief symptom is pallor. Anaemia is particularly common in young girls from 14 to 17 years of age. It is not confined to them for [illegible] lack of blood that [illegible] after the grip, fevers, [illegible] and in persons who have been under an unusual physical or mental strain.

FISHING CLUB WILL MAKE IMPROVEMENT

At a recent meeting of the directors of the Portsmouth Fishing club, C. O. Davis, former ground keeper at Millbrook park was employed as custodian of the club's property.

It was decided at the meeting to at once begin repairs on the club house, which will be painted both inside and out. Several new boats were ordered and new benches will be installed.

Several of the members have been trying their luck at fishing with but fair success, although the lake is said to fairly swarm with bass. Fishing will be permitted during the month of April but the lid will be on during May as the fish are spawning during that period.

A. I. U. LODGE HAD MEETING

The local lodge of the American Insurance Union held its regular semi-monthly meeting at their hall last night and in addition to routine business initiated two candidates into the order. They were Frank Brown and Leroy Bitner. The lodge agreed to give a social entertainment in their hall on the evening of Tuesday, April 20, it being an invitation function. They also purchased 100 chairs from J. F. Potts, those lately used in the Orpheum. Heretofore the order has rented chairs for their hall when anything was going on that drew a crowd. The order is in a flourishing condition. Headquarters are in Columbus and Hon. John J. Lentz is the president.

N. & W. WINS IN SUIT

Judge Blair Friday sustained the defendant's demurrer to the petition in the case of Amelia Lester against the N. & W., suing to recover for injuries sustained by her minor son, Harry, while riding a freight train. The court held that the train crew had no authority to permit the youth to ride the train. Young Lester was riding on a box car and it was claimed he was ordered by the crew to leave that position and got between the cars, which he did, with the result his foot was caught between the "bumpers" and badly crushed.

SPLENDID SERMON ON APOSTLE PETER

"Peter the Apostle" was the subject of Rev. E. A. Powell's sermon last night. Rev. Powell seemed to take special interest in his subject, and in a most entertaining way told of the favorite apostle. He told of the love of Peter for Christ and said that the story of Peter was one of the saddest stories in the world.

Peter was the prince of the Apostles. He was singularly favored, but he denied Christ three times. But it was not his heart that denied him. It was just his lips. Peter was afraid that the mob would crucify him.

"It is unnecessary," said the reverend, "to point out the many lessons to be taught from the story of Peter. His life should be a warning and an example. After denying Christ he went out and wept bitterly.

"The church was not founded upon Peter, as many state, but it was founded upon Christ, and no other."

Rev. Powell's story of the favored Apostle was attentively listened to by the large congregation.

Tonight he will speak of Joseph of Arimethea.

The services tonight will be most impressive. The Knights Templars will assist in the services.

Big Stone Order Shipped to N.&W.

The McDermott Stone Company Thursday shipped forty carloads of scrap stone to the Pocahontas division of the N. & W.

The stone will be use to replace rip-rap walls, which were wiped out by the recent heavy rains this side of Bluefield. Twenty-five additional cars were shipped Friday.

To ship sixty-five carloads of stone in two days taxed the endurance of almost every employe of the McDermott Stone Company, who remained on duty, realizing the situation. The N. & W. had to have the stone and have it quickly.

Start Work On Gold Mine

Joseph Hornung stated Friday, that he would leave Monday for Lewis county, Kentucky, where he would begin work on his new gold mine that promises to make him a wealthy man. The reports of the assayers is very hopeful and Mr. Hornung is leasing all the land for miles around. He will probably form a stock company within a short while. He will be gone until the first Saturday in May.

A FOOD SHOW PROMISES SURE GO

A pure food show for Portsmouth looks like a sure go.

J. R. Allen and C. C. Mathews, the projectors, closed, Friday afternoon, a lease on the skating rink, at the corner of Ninth and Chillicothe, where it is proposed to hold the show during the week beginning the 15th of April and have thegeneral arrangements under way.

Through Market Master George Keller, acting for Service Director Williams, an agreement was concluded whereby the city will be a partner in the undertaking and share one-quarter in the gross door receipts, its proceeds from such share to go towards a new market.

The show is to be a far more pretentious affair than its mere name might impress. The place of display will be elaborately decorated and a large number of grocerymen, distributors and producers will have displays. There will be lectures, demonstrations and, what will be most popular, a lavish distribution of samples. A person can get drinks and foods more than sufficient for a square meal and given a basket full every bit good to eat. Absolutely nothing will be sold inside the doors and everything handed out will be free as the light and the air.

BIG LODGE MAN IN THE CITY

B. B. Beck, deputy head counsel of the Modern Woodmen of America, and who lives at Thornville, stopped off in the city Friday, on his way to Peebles, where he will visit the lodge of that city. Mr. Beck, who is known to practically every Woodmen in the state, is prominently mentioned as the Democratic nominee for representative of Fairfield county. He is fully competent to represent his people in the legislature and if he lands the nomination will win out handsomely. He has been coming to Portsmouth for some time and is quite popular.

SOME RIVER SIGNS

Whenever you see the spars of the wharfboat pulled aboard it is a sign the river is rising, if they are shoved out, or "set" the river is falling, and it is necessary to thus keep the boat off the ground. Another "river sign" is that the moment the river begins to fall the water in the hydrants becomes clear, though the stream itself appears to be as muddy as ever.

To Clean Building

Owing to the presence of the furnaces used in the construction of the sky scraper the walls of the building are becoming dingy, but before the structure is turned over to the hauking company men will have gone over the walls from roof to foundation and every brick and every stone will be scrubbed till they shine. And that will be quite a job.

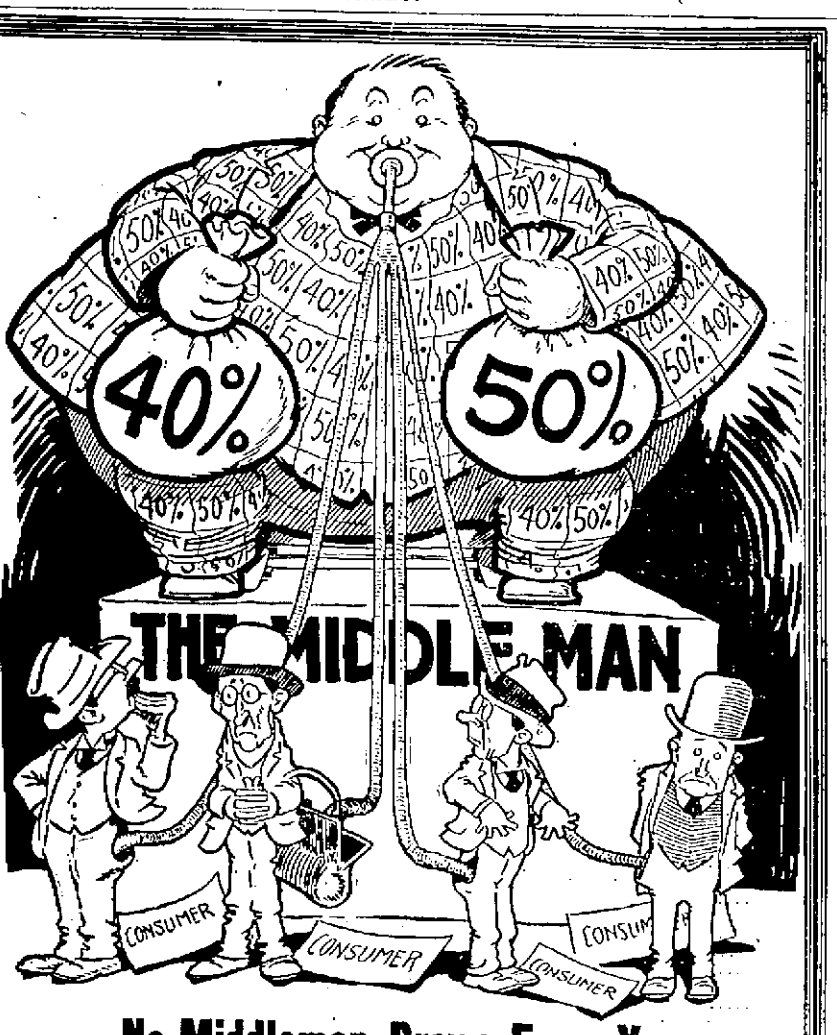

To Install New Scribe

At a meeting of the Tribe of Ben Hur to be held this evening, Thomas McLaughlin will be duly installed as scribe to succeed Harry Harmon, who, accompanied by his wife, will leave shortly for California where they will make their future home. It is said that the members will show their appreciation of Mr. Harmon's faithful service as scribe in a substantial manner. Several candidates will be initiated at the meeting this evening, which promises to be largely attended.

Queen City Is Laid Up At Cincinnati

The Gallipolis Tribune, in its river column, said:

"The Queen City has been laid up indefinitely at Cincinnati. It is reported that Capt. Sterling McIntyre has resigned and that Capt. Henry Kraft, formerly in charge of the Bedford, has been offered the job.

"The feeling against the Queen City by the Lock and Dam officials at No. 19 is reported to be very bitter. The Captain of the Queen, we are informed, refused to go back to Parkersburg with Supt. Downing, who after being injured lay dying upon the deck of the boat. The officials offered the Queen's captain any price to go back, but he sternly refused and left the dying man to his fate. Later on a freight train on the B. & O. was stopped and the man rushed to Parkersburg, but he died in the Belpre yards before reaching his wife or the hospital.

"The Tacoma, in command of that genial and gentlemanly navigator, Capt. Jesse P. Hughes, is the fastest boat in the Greene line and she is doing a very good business with the veteran purser, Col. Dave Scatterday in charge of the office. The Tacoma's cabin has been renovated and she is ready for excursion parties at any time.

KIMBLE HAS QUIT THE RACE

West Union, April 5—Representative B. F. Kimble announces that owing to unforseen circumstances, he will not be able to make the proper campaign for his election to congress from this district and has decided not to be a candidate.

It has been Mr. Kimble's plan to thoroughly canvass the district from the "scrimp" but finds this impossible and concludes that some candidates should be named who will do so.

His nomination papers have all been signed up with double the required number of names, but will not be filed.

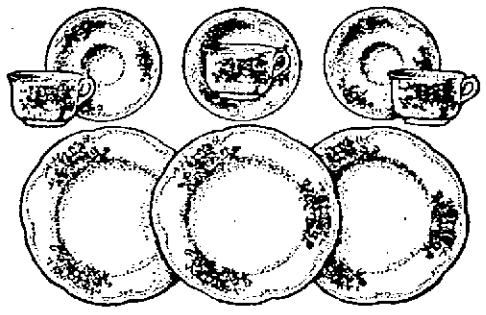

Mr. Kimble desires to extend his thanks to all those in this and the other counties who have so kindly interested themselves in his behalf.

Irish Conwell Has Reported To Team

Brown as a berry and looking the picture of health, "Irish" Conwell rolled off of the midnight N. & W. rattler, Thursday, and in less than ten minutes thereafter had reported to Manager Childs at the Arlington hotel.

Conwell, who has been with the St. Paul team of the American Association, spent two weeks at Little Rock, Ark., practicing with the aggregation, and right now is ready to jump into a regular game. He is pleased to be back amid the old familiar scenes and says he will play his head off to land the ex-Champs in the come-back list.

President Gableman received a telegram from Pitcher Ed Hartwig of Monroe, Mich., who is anxious to report. Hartwig was sent his transportation last Monday, but it has doubtless been side-tracked. He will likely arrive here Saturday.

The Second Presbyterian basketball team was put completely to route by the First Presbyterian team at the Club gym. Thursday night, the score being 49 to 10, the worst defeat ever sustained by a team in the City league.

There was never a time that the Second team was in the fight. Two second had not elapsed before the well drilled First team flipped a basket and they kept on doing this stunt with but precious little interference. The Second team has played ten games and lost every one of them. They will bring up the rear beyond a doubt, their only hope being to capture at least one game before the season comes to a close. EAGLES HELD MEETING

At a largely attended meeting of the local aerie of Eagles at their hall, Thursday evening, Si Straus, H. M. Lurty and Wheatley Cropper were initiated into the mysteries of this popular and flourishing organization.

A committee of which Frank Pratt is chairman, was named to take charge of the memorial exercises to be held this summer. The committee will meet on Sunday morning to prepare all the necessary plans.

Members Charles Heinisch and Frank Graf were reported sick. Mr. Heinisch is slowly recovering from the effects of injuries he received, the result of being kicked by a horse. Mr. Graf is a victim of rheumatism. The Eagles will initiate 12 candidates on next Thursday night and a big time is looked for.

Burglar Scare

The family living at [illegible] land avenue imagined they heard burglars prowling about their home late Thursday night. A trio of officers were sent to investigate, but they failed to find any trace of the supposed intruders.

The name of the family was not learned.

SHAMROCKS GROWING

Dr. S. B. McKerrihan has succeeded in planting the shamrocks lately presented to him and says they are growing briskly. The doctor was unable to find anybody who knew more about shamrocks than he did to give instructions as how to set out the sprigs, so he began reading upon the subjects and is now prepared to talk shamrock with the best of them, and to cultivate them. The doctor is an Irishman all right, but of the Pennsylvania variety.

CURES COLDS, CROUP AND SORE THROAT--SAFE FOR CHILDREN

Mothers should try this simple sensible treatment for Colds, Croup, etc.

The old method of dosing the stomach to cure colds and croup is wrong and harmful.

When your child is cross, feverish, and full of cold, apply a small quantity of Nostriola Balm to the nostrils and on the chest and throat—also under arm pits and on soles of feet. This simple common-sense treatment will open the head almost instantly, stop sneezing, running of the nose, and quickly change a half-sick fretful child into a happy, playful one.

Many mothers in this vicinity are now using the Nostriola Treatment and nothing else to keep the children free from colds and croup.

You won't believe the good results this simple treatment will bring until you make the test. Get a 25 cent tube of Nostriola of your druggist today, and you'll wish you had tried it sooner. The Nostriola Treatment is simple, effective, economical, and it is handy to have around when needed.

Handicapped, But Hustles

Jeff McGlone, the cripple who sells lead pencils at the N. & W. passenger station, possesses enterprise and energy superior to many men who have good legs under them. His legs are off at the knees, but he gets around fairly well. He had his legs frozen while railroading in Northern Michigan. He is cheerful and enjoys excellent health. His home was formerly in Greenup county, Ky.

MORRIS STERNBERGER TO LOSE ONE OF LEGS

The Cincinnati Enquirer says: "Information came from Jacksonville, Fla., yesterday to friends of Morris L. Sternberger that he is on the way to his home at Jackson, Ohio, in care of a physician.

"Mr. Sternberger is prominent in railroad circles from being identified with Eugene Zimmerman in the Cincinnati, Hamilton and Dayton and Pere Marquette deal; in financial circles because of his connection with the old Equitable, and later the Merchants' National Bank, and in coal circles because of his large interests in Jackson county.

"Some time ago, while at Jacksonville, he had an accident to a foot that necessitated an amputation of a toe. Later gangrene is said to have set in, and now, on the advice of a physician, he is on his way home to have the leg amputated below the knee in hope of checking the spread of the poison."

LONG DISTANCE FIGHTER

'Squire Shakespeare says he was a long distance participant in the American civil war. He was working in the coal mines of England, mining coal to be used for the manufacture of iron and machinery to be used in rebuilding the United States navy. He thus contributed indirectly to the cause of the Union. He was too young to know much about the war or its causes, but he considers himself as having been in the service.

"You couldn't get a pension on that, I reckon, 'Squire," was suggested.

"No, I couldn't get a pension, but I suspect us miners assisted right smart in the work of restoring the union, and at a bloody small wage. I didn't know at the time what the bally row was all about, but I learned afterward."

"You didn't look forward then, 'Squire, to one day being a justice of the peace in the United States, I suppose?"

"No, but I soon got the bee in my bloomin' hat for coming to America, and I eventually came. The 'squireship was a later consideration."

There are few better Americans than the jolly 'Squire.

Valuable Half-Dollar

Conductor Kehoe of the belt line street cars, has in his possession a half dollar of the date 1832, which a patron gave him on Thursday. As he is a collector of rare coins, he added this to his assortment. It is said to be worth $20.00.

Bowels are Basis of Child Health

The careful mother, who watches closely the physical peculiarities of her children, will soon discover that the most important thing in connection with a child's constant good health is to keep the bowels regularly open. Sluggish bowels will be followed by loss of appetite, restlessness during sleep, irritability and a dozen and one similar evidences of physical disorder.

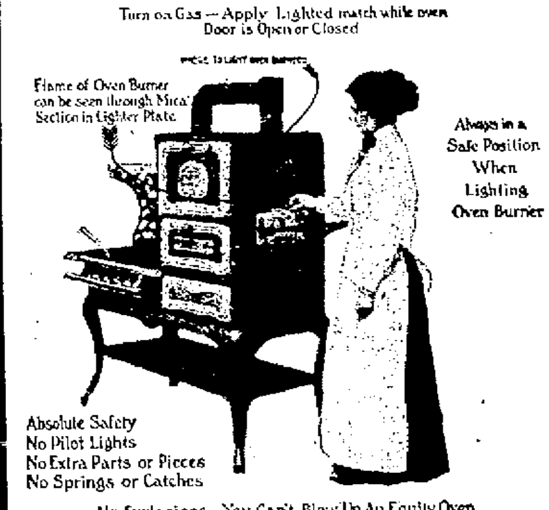

At the first sign of such disorder give the child a teaspoonful of Dr. Caldwell's Syrup Pepsin at night on retiring and repeat the dose the following night if necessary—more than that will scarcely be needed. You will find that the child will recover its accustomed good spirits at once and will eat and sleep normally.

This remedy is a vast improvement over salts, cathartics, laxative waters and similar things, which are altogether too powerful for a child. The homes of Mrs. Geo. L. Ormsby, Xenia, Ohio, and Mrs. Jas. McLain, Hammondsville, Ohio, are always supplied with Dr. Caldwell's Syrup Pepsin, and with them as with thousands of others, there is no substitute for this grand laxative. It is really more than a laxative, for it contains superior tonic properties which help to tone and strengthen the stomach, liver and bowels so that after a brief use of it all laxatives can be dispensed with and nature will do its own work.

Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 405 Washington St., Monticello, Ill. Your name and address on a postal card will do.

REPUBLICAN JUDICIAL COMMITTEE TO MEET

The Irontonian of Friday morning said;

"T. D. Shirkey, of this county, who is chairman of the Republican common pleas judicial committee of the district, has called a meeting of that committee for this evening at 7:30 o'clock, to be held at the Washington Hotel at Portsmouth. The object of the meeting will be to fix the time and place of holding the convention and to fix the ratio of representation from each county and the manner of the selection of the delegates.

"The counties of the district are Adams, Jackson, Lawrence, Pike and Scioto. Judge Corn's and Judge Blair's time expire next January, and their success ors will have to be elected this fall.

"Judge Corn is a candidate for renomination, and it is thought that Judge James, of Portsmouth, will be the other Republican candidate."

NERVOUS WOMAN

Lost Sleep and Appetite—It Now Well and Strong

If men only understood better how fearfully a woman's strength is taxed by her monotonous round of household duties, they would not be surprised at an occasional spell of "nerves."

When a woman is strong and well she does not know what it is to be nervous—it is only when she is weak that her nerves go to pieces.

Mrs. M. A. Robinson, of West Grove, Pa., says: "I had a nervous trouble for some months, affecting both my appetite and my sleep. Soon after I began to take Vinol I felt ever so much better and now I am as well as ever. Vinol did me a lot of good."

Our advice to all nervous, run-down women is: Take Vinol and regain your strength, then you will have no more nervous spells. This delicious cod liver and iron remedy without oil always agrees with the stomach, and it has made thousands of weak, discouraged, sickly women well and vigorous. We guarantee it—money back, if Vinol does not please you.—Frank Amann, Druggist.

BOOMING AT TYGART

Tygart City, located between the mouth of Tygart and Fullerton, is thinking of expanding, municipally speaking. The Tygart Firebrick Company is the nucleus of the village, and it is getting to be quite a place. Arrangements are making for a sale of lots, to take place as soon as it is assured that better roads and streets leading into the village are a reality. John Gerding, who is quite a factor in that locality, says they will show Fullerton something worth while in the not distant future. Others think that eventually Tygart City and Fullerton will approach each other and become one town. The citizens of both places still have their ears to the ground, listening for the whistle of the engines of John Homer's railroad, that has been headed down Tygart valley for nearly a decade.

IRONTON MAN RECALLS A POLITICAL BATTLE

The Morning Irontonian gives this political reminiscence of Col. B. F. Ellsberry, of Ironton, who is well known here:

"Col. B. F. Ellsberry was out driving Thursday for the second time since his illness. While he was not looking as well as in days of yore, yet he was looking better than was really expected considering his serious condition.

"His many friends were glad to see him and many were sincere congratulations showered upon him as they grasped his hand. Col. Ellsberry's presence upon the streets in these piping days of politics recalled the days when he was a hero of many a Democratic fight, and his fights were always fair and gentlemanly. Just now when there is a controversy as to who shall be the National delegates to both the National conventions from this district, one is reminded of the time when Mr. Ellsberry represented this district as one of the delegates. That was in 1884. The convention was held in Chicago and Grover Cleveland was the nominee. Cleveland and Hendricks from the two pivotal states, New York and Indiana. Hon. Wells A. Hutchins, of Portsmouth, was the other candidate.

"Ohio that year had instructed her delegation to vote for the 'Grand Old Roman,' Hon. Allen G. Thurman. Mr. Ellsberry was quite young in politics at that time, but was an enthusiastic follower and admirer of the 'Old Roman.' Many times has he told of the treachery and duplicity that marked the Ohio delegation at that time.

"The members of the delegation met at Columbus, and all took the same train to Chicago. When they arrived at the Windy City they secured headquarters at the Palmer House and organized. A fight occurred over the organization, John R. McLean and Louis Bernard were delegates at the same time and McLean opposed Thurman. Bernard proposed McLean's name as chairman. A silence followed which was painful. Mr. Ellsberry, who was wise to what McLean's selection meant, nominated the late A. J. Warner as an opposing candidate. McLean won by one vote, one delegate being absent. After the delegation adjourned at that meeting they were never called together at all. No work was done for Thurman, and the California delegation called at the Ohio headquarters and told them that they had come all the way across the continent to vote for the 'Old Roman' and had come to find only a divided delegation from his own state."

DON'T BE NERVOUS AND RUN-DOWN

New Tonic, Tona Vita, Will Positively Restore Your Old Vitality.

Nervousness, depression of spirits, lack of energy, all run down, these are the chief symptoms of nervous debility, the modern affliction caused largely by the rush, hustle and worry of modern life.

If you are a sufferer from this all-too-common complaint, and can not go to a high-priced sanitarium to have rest and diet build you up, you should read carefully the following statement of C. N. Hunt, Esq., of 602 Sixth street, Milwaukee, Wis., concerning the remarkable new tonic, "Tona Vita," that has made such a great record during the past year. Mr. Hunt says: "For a number of years my wife has been a sufferer from a continuous run-down, nervous condition and stomach trouble. I took her to a number of doctors, but none seemed to give her any relief. She grew constantly worse and her entire system became affected.

"She could hardly eat anything, and would say that the very thought of eating made her sick. She caught one bad cold after another and was always tired and languid. She had had headaches and attacks of dizziness.

"I got some Tona Vita a few months ago. My wife began taking the tonic that night and we were pleasantly surprised to notice an improvement after the second day. She is now like a different woman. The nervousness and depression are all gone, and she eats and sleeps better than she has for years. It seems wonderful to note such a change in her. I believe "Tona Vita" is worth its weight in gold."

If you are debilitated and run down, above all things try "Tona Vita." You will never regret it, as it will build you up like magic. It is the finest preparation now in the market. Wurster Bros. has the agency for this great medicine in Portsmouth. The price will be returned if it doesn't meet with your entire approval. The Approved Formula Co., Dayton, O.

Nice Contribution To Railroad Strike Fund

The Brotherhood of Railway Carmen at a spirited meeting in the Blake hall in the East End, Thursday night, passed a resolution donating $250 to the carmen who have been thrown out of employment by the strike on the Harriman lines.

In December each member contributed $1.00, and as the local branch has a membership of 220, a check for this amount was forwarded to the strikers' committee. A contribution was also made in November. The local branch meets every Thursday, and its affairs are in fine shape.

COURT HOUSE IS NEW BUT IT LEAKS

West Union, O., April 5.—Adams county's new $50,000 court house is on the bum—at least it looks that way. It has an ornamental roof, but it won't keep out the water. Every time it rains the officials who dwell in the story next to the roof, have to chase around with pails and mops. Even the court room gets its share of water, the biggest leak being over the spot where Judge Bluh sits when court is in session.

Admitied Guilt

Columbus, O., April 5.—"I'm guilty of shooting him," said Boy Scales, 21, colored, when arraigned in police court Thursday on a first degree murder charge for the killing of James P. Gearon, N. & W. detective, near the infirmary, Monday afternoon.

William Cragg, 17, colored, Scales' companion, pleaded not guilty to the same charge.

Judge Osborn held both negroes to the grand jury without bond.

New Chief At Gallipolis

Gallipolis, O., April 5.—David E. Roberts, Democrat, former assistant superintendent at the Lancaster Industrial school, who was reared in Ironton, was appointed chief of police today by Mayor Cadot, a Republican.

It is Criminal to Neglect the Skin and Hair

THINK of the suffering entailed by neglected skin troubles — mental because of disfiguration, physical because of pain. Think of the pleasure of a clear skin, soft, white hands, and good hair. These blessings, so essential to happiness and even success in life, are often only a matter of a little thoughtful care in the selection of effective remedial agents. Cuticura Soap and Cuticura Ointment do so much for poor complexions, red, rough hands, and dry, thin and falling hair, and cost so little, that it is almost criminal not to use them.

Although Cuticura Soap and Ointment are sold by druggists and dealers everywhere, a postal to "Cuticura," Dept. R, Boston, will secure a liberal sample of each, with 32-page booklet on Skin and Scalp Treatment.

FRECKLE-FACE

Now Remedy That Removes Freckles or Costs Nothing

Here's a chance, Miss Freckle-Face, to try a new remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles, while if it does give you a clear complexion, the expense is trifling.

Simply get an ounce of othine—double strength, from Fisher & Streich, and one night's treatment will show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case. Be sure to ask Fisher & Streich for the double-strength othine, as this is the only prescription sold under guarantee of money back if it fails to remove freckles.

Resolution Of Respect

Whereas, our brother, Henry Amberg, has in the providence of God been called from the Church Militant to the Church Triumphant, and can nevermore answer to the roll call of this board; therefore

Be it Resolved by the Official Board of Trinity Methodist Episcopal Church at its regular meeting Monday, April 1, 1912, That this board mourns the loss of Brother Amberg, who was a faithful and earnest member, always ready and willing to bear his full share of its burdens and responsibilities. We shall miss his kindly face and wise counsel in our sessions. His long membership commencing in old Spencer church, then during the entire life of Sixth street church, and ending in the new Trinity, assisting generously in building the two latter churches, occupying nearly every position in the gift of the church, being for many years Sunday School Superintendent, District Steward, President of the Board of Trustees, makes his name bear a large part in the history of this church and his manly christian life has left its impression in an indelible manner on countless numbers of this church and community.

We rejoice in the knowledge that Brother Amberg by his long life of good deeds and many years of active service for the church of God was prepared to enter into the "Rest prepared for those who love and serve our heavenly Father."

We extend our sympathy to his widow and daughter, who have been so deeply bereaved, and mingle our tears with theirs in our common loss, and commend them to Him, "who doeth all things well."

W. B. Anderson,
J. M. Stockham,
E. W. Pfeiffer,

COMMENTS ON DRENNAN TRAGEDY

Speaking of the tragic death of little Robert Lee Drennan, Editor D. W. Williams of the Jackson Standard-Journal said editorially:

"Our every day life has its dramas, its comedies and its tragedies if we only had eyes to see. It was only this morning that Byron Shriver told me of the death of his wife's nephew Robert Lee Drennan.

"He was the only son of Harry Drennan of Portsmouth and was a bright lad six years old. During the absence of his mother at a neighbor's house on March 23 he took his father's small rifle out in the yard to play with a schoolmate.

"A little while later, his mother, returning, saw him running towards her and he cried, 'Mamma I'se shot' and fell into the arms of a passerby and died. The bullet had entered the neck and ranged upward.

"Shriver is a brother of Tod Shriver, the aviator, who lost his life in Porto Rico recently, and the story of his brother is as romantic as anything in the books. But because Shriver lives in Jackson, hundreds of people think nothing of the story, although a tale about some one in Europe might fascinate them."

Father Is Better

Mrs. Charles Flaugher, of Chillicothe street, is in receipt of a letter from her father, Charles Rose, of Springfield, stating that he is now able to be out, after a long siege of illness. Mr. Rose was injured in the Keller Roll-Mill Company's plant last October. He and Mrs. Rose will arrive here the first of the week to be the guests of Mrs. Flaugher.

Going To Wellston.

FIRST APPLICATION DARKENS THE HAIR

A Simple Remedy Gives Color, Strength and Beauty to the Hair.

"You don't have to have gray hair or faded hair if you don't want to. Why look old or unattractive? If your hair is gray or faded, you can change it easily, quickly and effectively by using Wyeth's Sage and Sulphur Hair Remedy. Apply a little tonight, and in the morning you will be agreeably surprised at the results from a single application. The gray hairs will be less conspicuous, and after a few more applications will be restored to natural color.

Wyeth's Sage and Sulphur also quickly removes dandruff, leaves the scalp clean and healthy, and promotes the growth of the hair. It is a clean, wholesome dressing which may be used at any time with perfect safety.

Get a fifty cent bottle from your druggist today, and see how quickly it will restore the youthful color and beauty of your hair and forever end the nasty dandruff, itchy scalp and falling hair. All druggists sell it under guarantee that the money will be refunded if you are not satisfied after fair trial.

JACKSON CO. EDITORS BUSY SLINGING MUD

Editor-Parson G. James Jones of the Oak Hill Press, throws seventeen fits and sixteen scoops full of mud at Editor Dan Webster Williams of the Jackson Standard Journal, because Dan Webster is boosting Roosevelt and refuses to be a party to the addition, division and silence agreement of the Republican bosses of Jackson county.

Parson-Editor Jones' article is four columns long. A mild sample of what it said of Dan Webster follows:

"To put it mild, Dan Webster Williams is to be commiserated quite as much as censured. His greatest enemy is himself. No one can injure him as he is injuring himself. Earnest people have pride in their county and in their party. He ought to. He has spent, practically all his life in the county. He ought to have some regards for the county's welfare and the party's interests. He has lived off the people of his county many years, and has received every honor he has ever gotten from his party, or at least the party which ought to be his.

"He ought to be glad to be of service to his county and his party, and to prefer death rather than to be a stumbling block to either. By failing to do this he himself is branding himself an integrate of the darkest dye. That is one face of the matter. The other is this. Did he have no regards for any one or anything except as a means of embellishing his belly, covering his corporation, vaulting his vanity, he ought to know that his purposes vile as they are could be more easily realized by holding himself suppressed in the shadow than by arrogant domineering.

"If his shilly-shally in last week's Standard Journal has any meaning whatever, it means that Dan issues his manifesto to the Republicans in the county that not one of them should think for himself, speak for himself, act for himself, except as Dan may condescend to extend the golden scepter. Should any dare to disobey, then according to the law of the Triumvirate, as prediction he shall go, i. e. should the Triumvirate be able to put him there. And Dan does this in the august name of Roosevelt. Shades! Dan belongs to the age of Nero who fiddled while the city was on fire. Pity him, pity him, pity him."

After reading the above from a parson turned editor, The Times is convinced that the Parson-Editor believes in a real brimstone hell and has picked out a spot for Dan Webster to occupy.

ANNIE GIVEN 20 DAYS

Huntington, W. Va., April 5.—When Patrolman Carson who with Patrolman Bowman, arrested Annie Jackson of Portsmouth, Huntington and elsewhere, on Wednesday morning, declared that the woman had her dress pulled to an indecent height. Annie declared that it was not true.

"I had on a bobble skirt," she fairly yelled.

Judge Bryan gave her 20 days.

WOMAN HAD A FORTUNE IN STOCKING

Huntington, W. Va., April 5—Nancy McKeand, 67, was found dead along the N. & W. tracks near Kenova. She had been at Ceredo to make some purchases and on her way back to her home sat down along the railroad tracks to rest. She was a very heavy woman, and having become overheated, she suffered a stroke of apoplexy, dying instantly.

When an undertaker prepared the body of the woman for burial he found sewed up in her skirt and hidden in her stockings $1,150.50 in money and negotiable securities. The finding of the money caused quite a sensation.

BABY BORN ON A CAR

Cleveland, O., April 5.—A baby was born today on a Lake Shore Electric car.

Mrs. John Klein, 25, of Wakeman, Ohio, was on her way to St. Ann's Hospital, in this city, and became ill. The smoking compartment was hurriedly vacated, women passengers took Mrs. Klein there, a medical college student rendered assistance and soon the cries of an infant sounded above the noise of rolling wheels.

A matron and an ambulance detail reached the station soon after the arrival of the car, but to their surprise found that Mrs. Klein had taken the baby in her arms and walked to the hospital.

CHECKER CHAMPION

James Wilson, financial secretary of the Y. M. C. A., is the champion checker player at the institution, and at that there are some checker players out there. Whenever the train people run across a star checker player on the system, they make it their business to steer him up against the secretary, but thus far with disastrous results to the checker-playing trainman. The railroad boys are framing up a job on Mr. Wilson. They are going to produce a ringer in the shape of the champion of Bluefield, who is not a railroad man at all.

S.S.S. DRIVES OUT RHEUMATISM

Rheumatism is due to an excess of uric acid, an irritating, inflammatory accumulation, which gets into the circulation because of weak kidneys, constipation, indigestion, and other physical irregularities which are usually considered of no importance. Nothing applied externally can ever reach the seat of this trouble; the most such treatment can do is soothe the pains temporarily; while potash and other mineral medicines really add to the acidity of the blood, and this fluid therefore continually grows more acrid and vitiated. Then instead of nourishing the different muscles and joints, keeping them in a normally supple and elastic condition, it gradually hardens and stiffens them by drying up the natural oils and fluids. Rheumatism can never be cured until the blood is purified. S. S. S. thoroughly cleanses and renovates the circulation by neutralizing the acids and driving the cause from the system. It strengthens and invigorates the blood so that instead of a sour, weak stream, depositing acrid and painful corrosive matter in the muscles, joints and bones, it nourishes the entire body with pure, rich blood and permanently cures Rheumatism. S. S. S. contains no potash, alkali or other harmful mineral, but is made entirely of roots, herbs and barks of great purifying and tonic properties. Book on Rheumatism and any medical advice free to all who write.
